

Do you want successfully and happily married?

You must adhere to certain
rules. 😊

Smile . Charming smile makes sweet and beautiful girl. In addition , a smile shows that you are all well and cheerful people are always attracted to you.

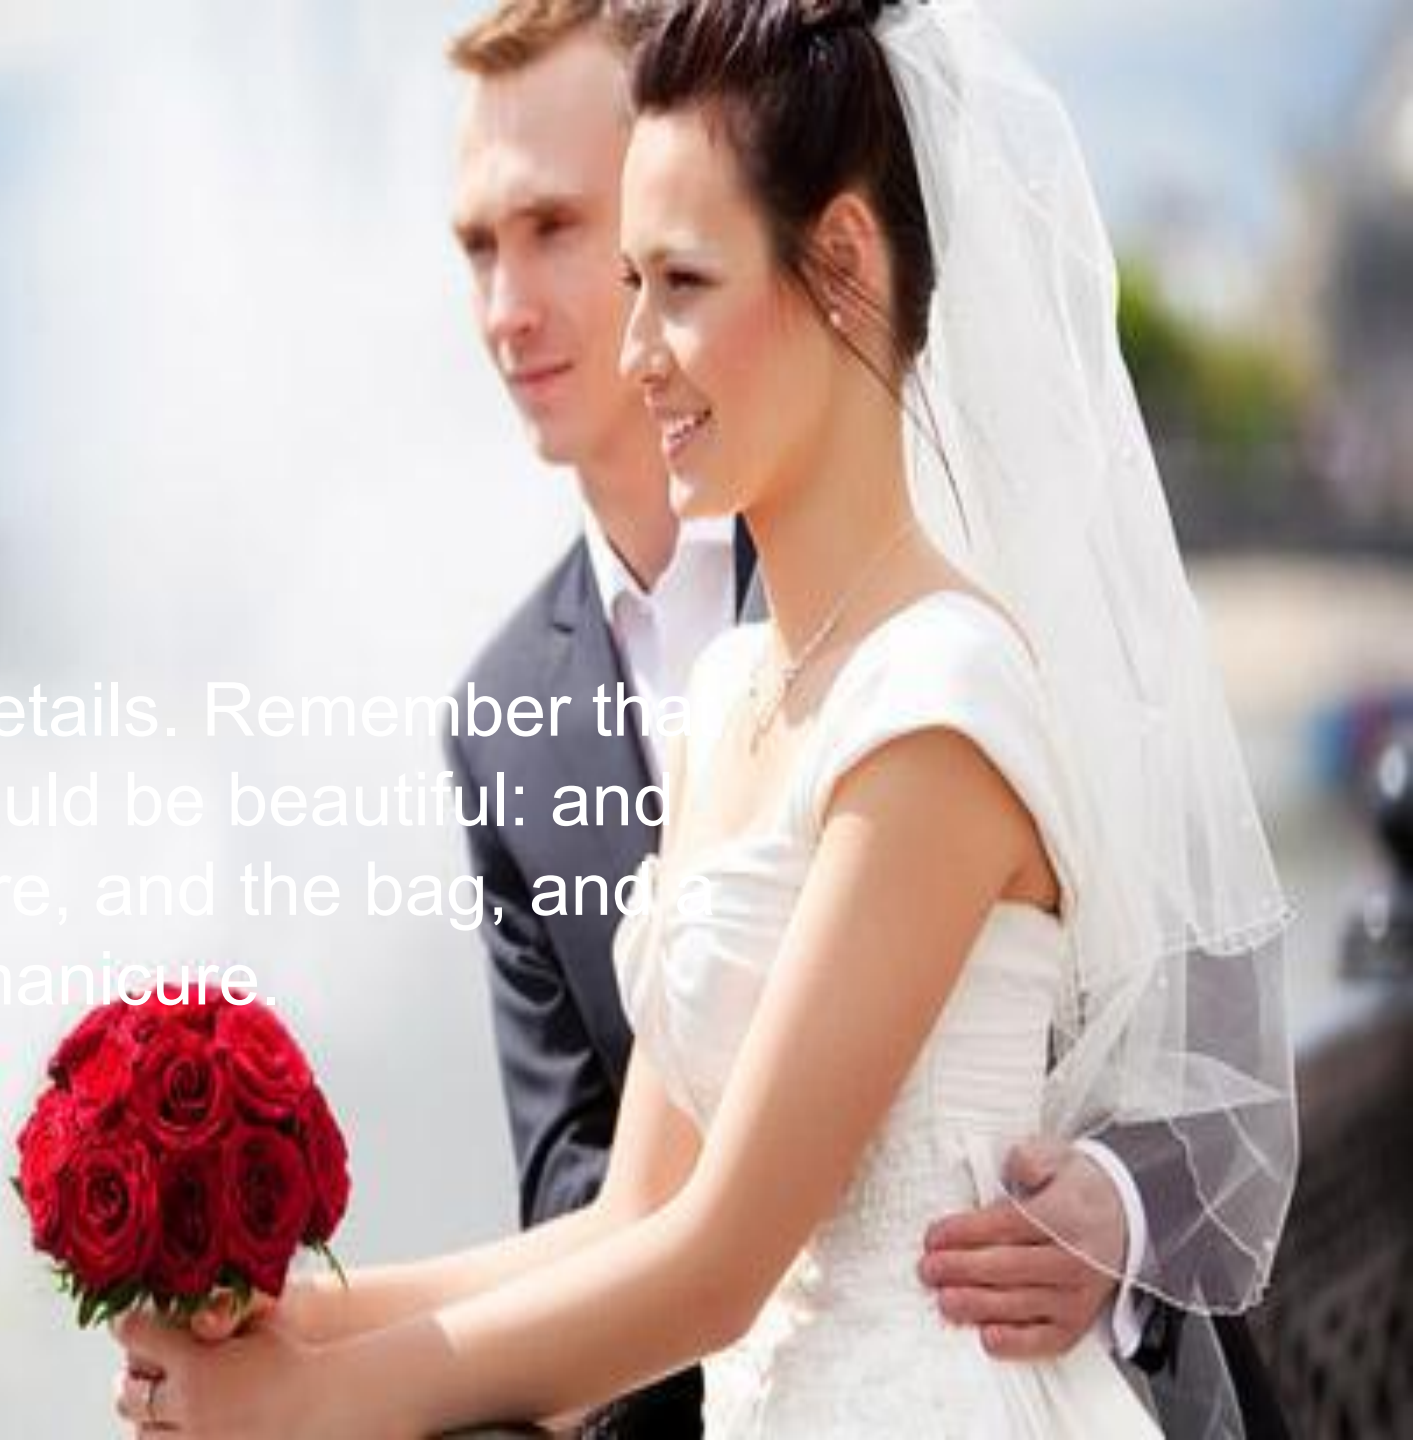

Create a stylish wardrobe.

Take care of details. Remember that a woman should be beautiful: and gait and posture, and the bag, and a manicure.

Do not impose. If on the first date you are interested in a man, be assured that he will seek re-encounter. If not - should not be too hard to solicit the next meeting , it usually scares men.

Refuse to criticize
men and talk
about what they
are bad in one
form or another.

**To become more feminine.
Nothing else attracts men to
women is stronger than her
femininity and faster than
anything else does not take
away men than the lack of
femininity**
