

Writing a story

Stories can be real (based on real and true events)

Imaginary (based on unreal events)

First paragraph
we set the scene

- **Time and place** (when/where it happened)
- **Main characters** (who)
- **Weather**

Let's have some practice

Can you sat the story?

Main body

- Describe the **events**
- Leading to the **climax** (main event)
- Main event

Main body

The final paragraph

- We write what happened in the **end**
- How the characters **feel**

Happy End!
