Travelling to America.

Christopher Columbus discovered America in 1492.

The first English settlers sailed to America on the ship “Mayflower”

The United States of America is the fourth largest country in the world (after Russia, Canada, and China).

The capital of the country is Washington

The highest mountains are the Rocky Mountains, the Cordillera, and the Sierra Nevada

America's largest rivers are the Mississippi, the Missouri, the Rio Grande, and the Columbia.

The largest cities are New York, Los Angeles, Chicago, Philadelphia, Detroit, San Francisco.

The flag of the USA is often called “The Stars and Stripes”. There are 50 stars on it: one for each state.

The flag has 13 stripes. There are 7 red stripes and 6 white stripes: one stripe for each of the first 13 colonies of the USA.

The eagle became the official national symbol of the country in 1782. One of the most famous symbols of the USA is the Statue of Liberty. France gave the statue to America in 1884 as a symbol of friendship.
