# Kinds of houses

Castle

Manor house

Palace

Tudor house

# Kinds of houses

Cottage

Bungalow

▣ Georgian house

▣ Victorian house

- You see a big variety of English houses. A lot of the houses are very old, some of them are several centuries, but they look very beautiful. They are the places people live in. Englishmen like their houses, they treat them as children. No doubt, «My house is my castle» - is the motto of every Englishman.
