

The United Kingdom of Great Britain and Northern Ireland

5-7 GRADE

UK

The UK and Northern Ireland has four parts. There are: England, Scotland, Wales and Northern Ireland.

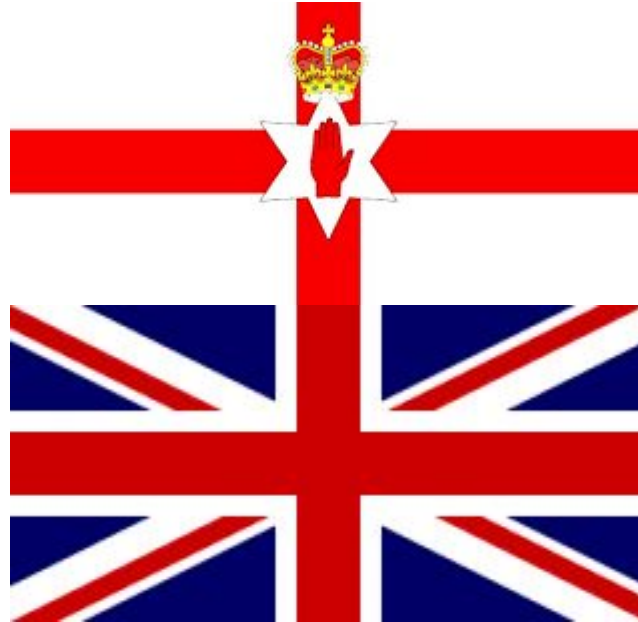

Great Britain

But Great Britain has only three parts: England, Scotland, Wales.

We are going...

Today we are going to tell you about cities of Northern Ireland and England.

Northern Ireland

Northern Ireland is not a big country. The capital of Ireland is Belfast and the symbol is a shamrock. In Northern Ireland live 2,5 million people.

England

The symbol of England is a red rose. The capital of England is London. 51,3 million people live in England.

Garden

In Belfast there is a wonderful botanic garden. This garden is very big. In 1828 years the garden was king's, but now this park is a national park.

Trafalgar Square

This square is situated in the center of London. In the middle of it stands a monument to Admiral Nelson. Every year on Trafalgar square you can see a New Year tree. There is a National gallery and St. Martin church. If you go to London you need to visit Trafalgar square.

Tower of London
