FLOP

The frog lives in a lake. He is a big green frog. The frog's name is Flop.

Flop has got 2 friends, two big white birds. Their names are Polly and Chat.

It's morning. Flop looks at the clock. He wants to know the time. He looks and looks and looks. But he can't tell the time. Then he asks one of his friends, Polly:

- Can you tell me the time?
- Of course, I can.
- What's the time?
- It's seven o'clock.
- Oh, it's time to do morning exercises.

Now Flop is doing morning exercises. Now he is taking a shower. And now he is swimming in the lake. He does it with great pleasure. He likes to swim.

His friends Polly and Chat are doing morning exercises too. But they don't want to take a shower or swim. They are washing only their hands and faces.

Then the three friends have breakfast. After breakfast they usually play games. Flop plays leapfrog with his frog-friend. Polly and Chat play hide-and-seek. They have a good time.
