facebook

FACEBOOK

Facebook ([ˈfeɪsˌbʊk])-Social Network, founded in 2004 by Mark Zuckerberg and his roommates while studying at Harvard University, including Eduardo Saverin, Dustin Moskovitz and Chris Hughes. Thanks to this site Mark Zuckerberg in 1923 became the youngest billionaire.

- Log into the site

At first website was named thefacebook.com, and was opened only to students of Harvard University, and then access was expanded to other universities in Boston and then for students of all educational institutions of the United States, with an email address with the domain. Beginning in September 2006 the site was opened to all users under the age of 13 years, having e-mail. , Facebook is more than 600 million users, 230 million of whome come to the site using mobile devices.

The number of unique visitors in April 2010 totaled 540 million, while the number of page views - 570 billion in revenue for Facebook in 2009, on its own assessment of the company amounted to 700 million U.S. dollars . Facebook allows you to create a profile with photos, invite friends, communicate, inform other users about statues.

Facebook offers many features with which users can interact. Among the most popular - a virtual wink, photo albums and a "wall" where friends can leave messages. A user can control the level of access to information posted on the profile, and determine who has access to one or another part.

*-A lot of people

Organizing for America | Tell Congress to Support President Obama's Budget

Source: my.barackobama.com

Call your elected representatives and tell them to support President Obama's budget. It's a bold plan that confronts the long-term threats to our prosperity and builds a new foundation for economic growth by investing in energy, health care, and education.
