# BRYAN ADAMS – I WILL ALWAYS RETURN

- I hear the wind call your name  
It calls me back home again  
It sparks up the fire - a flame that still burns  
Oh it's to you I'll always return

I still feel your breath on my skin  
I hear your voice deep within  
The sound of my lover - a feeling so strong  
It's to you - I'll always belong

Now I know it's true  
My every road leads to you  
And in the hour of darkness darlin'  
Your light gets me through

Wanna swim in your river - be warmed by your sun  
Bathe in your waters - cuz you are the one

I can't stand the distance - I can't dream alone  
I can't wait to see you - Ya I 'm on my way home

Oh I hear the wind call your name  
The sound that leads me home again  
It sparks up the fire - a flame that still burns  
Oh, it's to you - will always return

***Complete the cluster:***
