Discovery

There are a lot of museums in Belgorod region.

We are proud of our museums: the Diorama Museum, the Science Museum, Ethnography museum, Art Gallery and so on.

But we live in a small provincial town Graivoron in the south-west of Russia. And here we have a small number of museums.

Graivoron ethnography museum

Round building

Welcome to our school museum.

It was opened in 2007 and named after V.G.Shukhov.

Welcome to our school museum

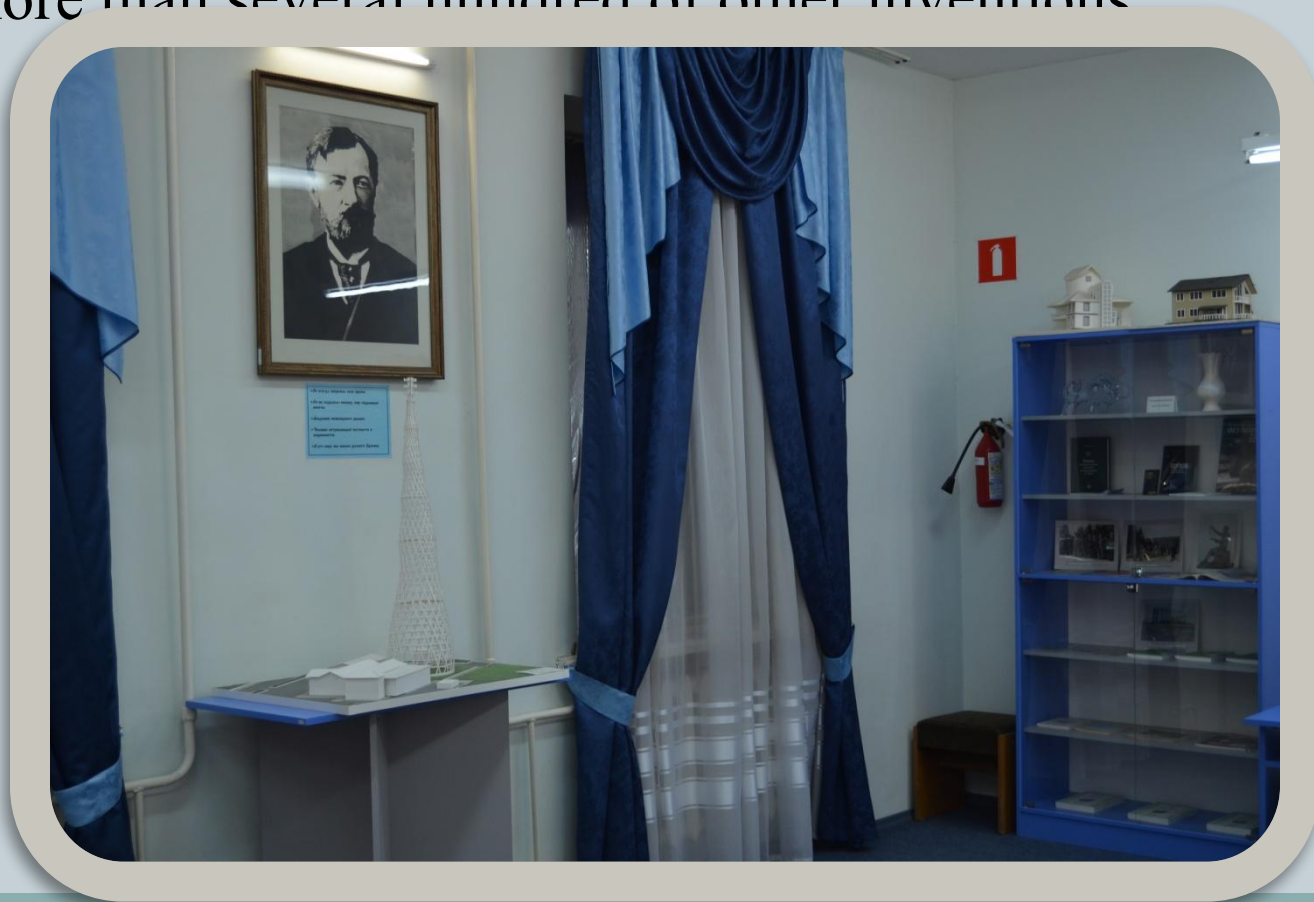

Graivoron is rich in talented people. One of them is V.G.Shukhov, the greatest engineer, architect, inventor and scientist.

Welcome to our school museum

He is the author of the famous Shabolovskaya tower in Moscow and more than several hundred of other inventions

Welcome to our town

In honour of V.Shukhov
there is a school,
a street
and a park
called after his name.
