1 ) The weather is cold. Usually it snows. The days are short and the nights are long. You can see snow everywhere. The rivers and lakes freeze and we can go skating and skiing.

2) It is very nice season. The weather is fine, it is warm. There are many green trees in the streets, in the parks and in the yards. Sometimes it rains, but as usual the sun shines brightly. The birds return from the hot countries and make their nests.

3) It is hot or warm. The days are long and the nights are short. There are many green trees and nice flowers in the parks and in the squares in summer. The pupils don't go to school; they have got their summer holidays.

4) It is cool. The weather is changeable. It often rains. The days become shorter and the nights become longer. The birds prepare to fly to the South. One can see yellow, red, brown leaves everywhere. It is time for gathering harvest.
