

This theatre is situated in the center of the city near such universities as:

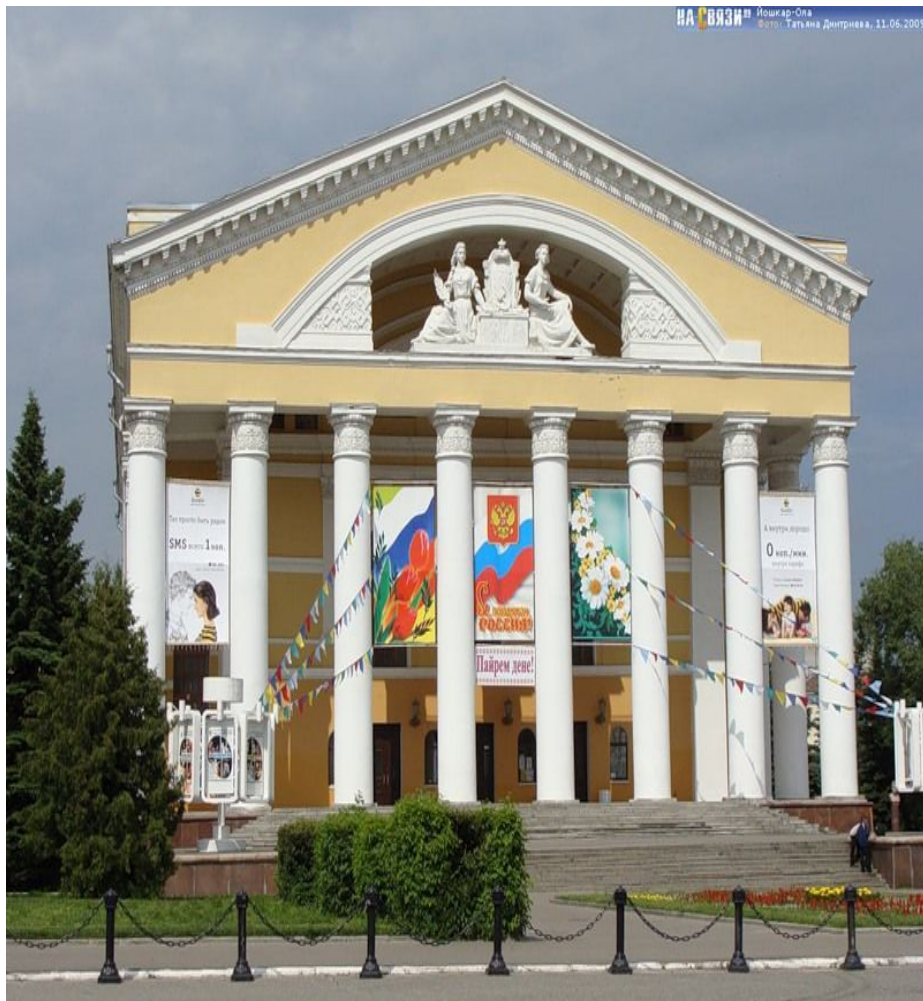

Mari State University

**Volga State University of
Technology**

There are also two stands for the posters outside the building

Inside the building there are two shopping stores with souvenirs and flowers and two ticket windows not far from the doors

Then we enter the door and see the dressing room which has the round form

There are many pictures and photos of the actors on the walls

There is also a buffet. People can go and eat here during breaks

That is the whole view of the place for the audience!

Thank you for the attention!
