My flat

One, two – it's a house;
Three, four – that's a mouse
Five, six – it's a flat;
Seven, eight – that's a cat;
Nine, ten, nine, ten,
Will you count things again?
Ten, nine – it's a bed;
Eight, seven – that's a flat;
Six, five – they are flowers,
Four, three – are they ours?
Two and one, two and one,
Little children, have a fun!
