Elementary (primary) school

In USA children go to school at the age of 5 intill 16 or older Grades 1-5 make up elementary school.

In Great Britain children start school when they are 5 intill 16 or older. Primary education lasts for 6 years.

Australia's primary or elementary school consists of grade 1-6. Children between the ages of 6 and 15 are required to attend school with the exception of Tasmania.

In Russia children start school at the age of 6 or 7. Grades 1-4 make up elementary school.

Secondary schools

USA: There are three types of schools: public, private, home schools. Most students attend public schools. These schools are run by the government of a city. Middle school consists of grade 6-8.

Great Britain: Compulsory education ends at 16. Higher education begins at eighteen and usually lasts for 4 years. Secondary education consists of grades seven through twelve.

Australia: Secondary schools consist of grades seven through twelve. Large schools are found in cities along the coast. One-teacher schools are located farther out in the countryside.

Russia: Secondary school consists of grade 5 through 11. Compulsory education ends at sixteen, fifteen (the 9 th form).

School Lunch

In the USA students have lunch from 12 p.m. till 1 p.m.

In Great Britain students have lunch at 11 a.m. till 12 a.m.

Students in Australia have not lunch time.

Students in Russia don't have lunch at exact time. They go to the canteen at any time they want.

School Uniform

Students in public schools in the USA DO NOT wear uniform at school.

In Great Britain students in private schools wear uniform, in public do not.

All secondary students in Australia wear uniform to school.

There are some schools in Russia where school uniform is required.

Extra Curricular Activities

The schools in the English speaking countries and in Russia offer a wide range of team sports as well as athletics, swimming. The performing arts program provides activities such as the school production, school orchestra and music ensembles. Students involvement is encouraged through participation in a variety of clubs, debating clubs, drawing and handicraft clubs etc.
