

*Seasons and
months*

It is...now

Round 1. Riddles.

This is the season,
When fruit is sweet.

This is the season,
When school-friends meet.

I come with cold and
snow

But you like me and
know.

A little old woman
with 12 children:
some short, some
long, some cold,
some hot. What is it?

This is the season,
When days are long
And the Sun is high
and strong.

This is the season,
When yellow leaves
Fall down from the
trees.

This is the season,
When the days are
warm
But the air is cold.
