

THIS CAR BELONGS
TO SAM.

(ЭТА МАШИНА ПРИНАДЛЕЖИТ
СЭМУ.)

THIS IS SAM'S CAR.

(ЭТО МАШИНА
СЭМА.)

The background is a solid green color with a subtle gradient. In the four corners, there are decorative elements resembling circuit board traces or neural network connections. These consist of thin, light green lines that branch out and terminate in small circles. The lines are more dense in the bottom-left and top-right corners, while the top-left and bottom-right corners have fewer, more sparse lines.

- This notebook belongs to Jane.

- 
- The background is a solid green color with a subtle gradient. In the corners, there are decorative elements resembling circuit board traces or neural network connections. These consist of thin, light green lines that branch out and terminate in small circles, creating a technical or digital aesthetic.
- These suitcases
belong to our guests

- 
- The background is a solid green gradient. In the corners, there are decorative elements resembling circuit board traces or neural network connections, consisting of thin white lines and small white circles.
- This bedroom
belongs to my son

- These keys belong to Mark.

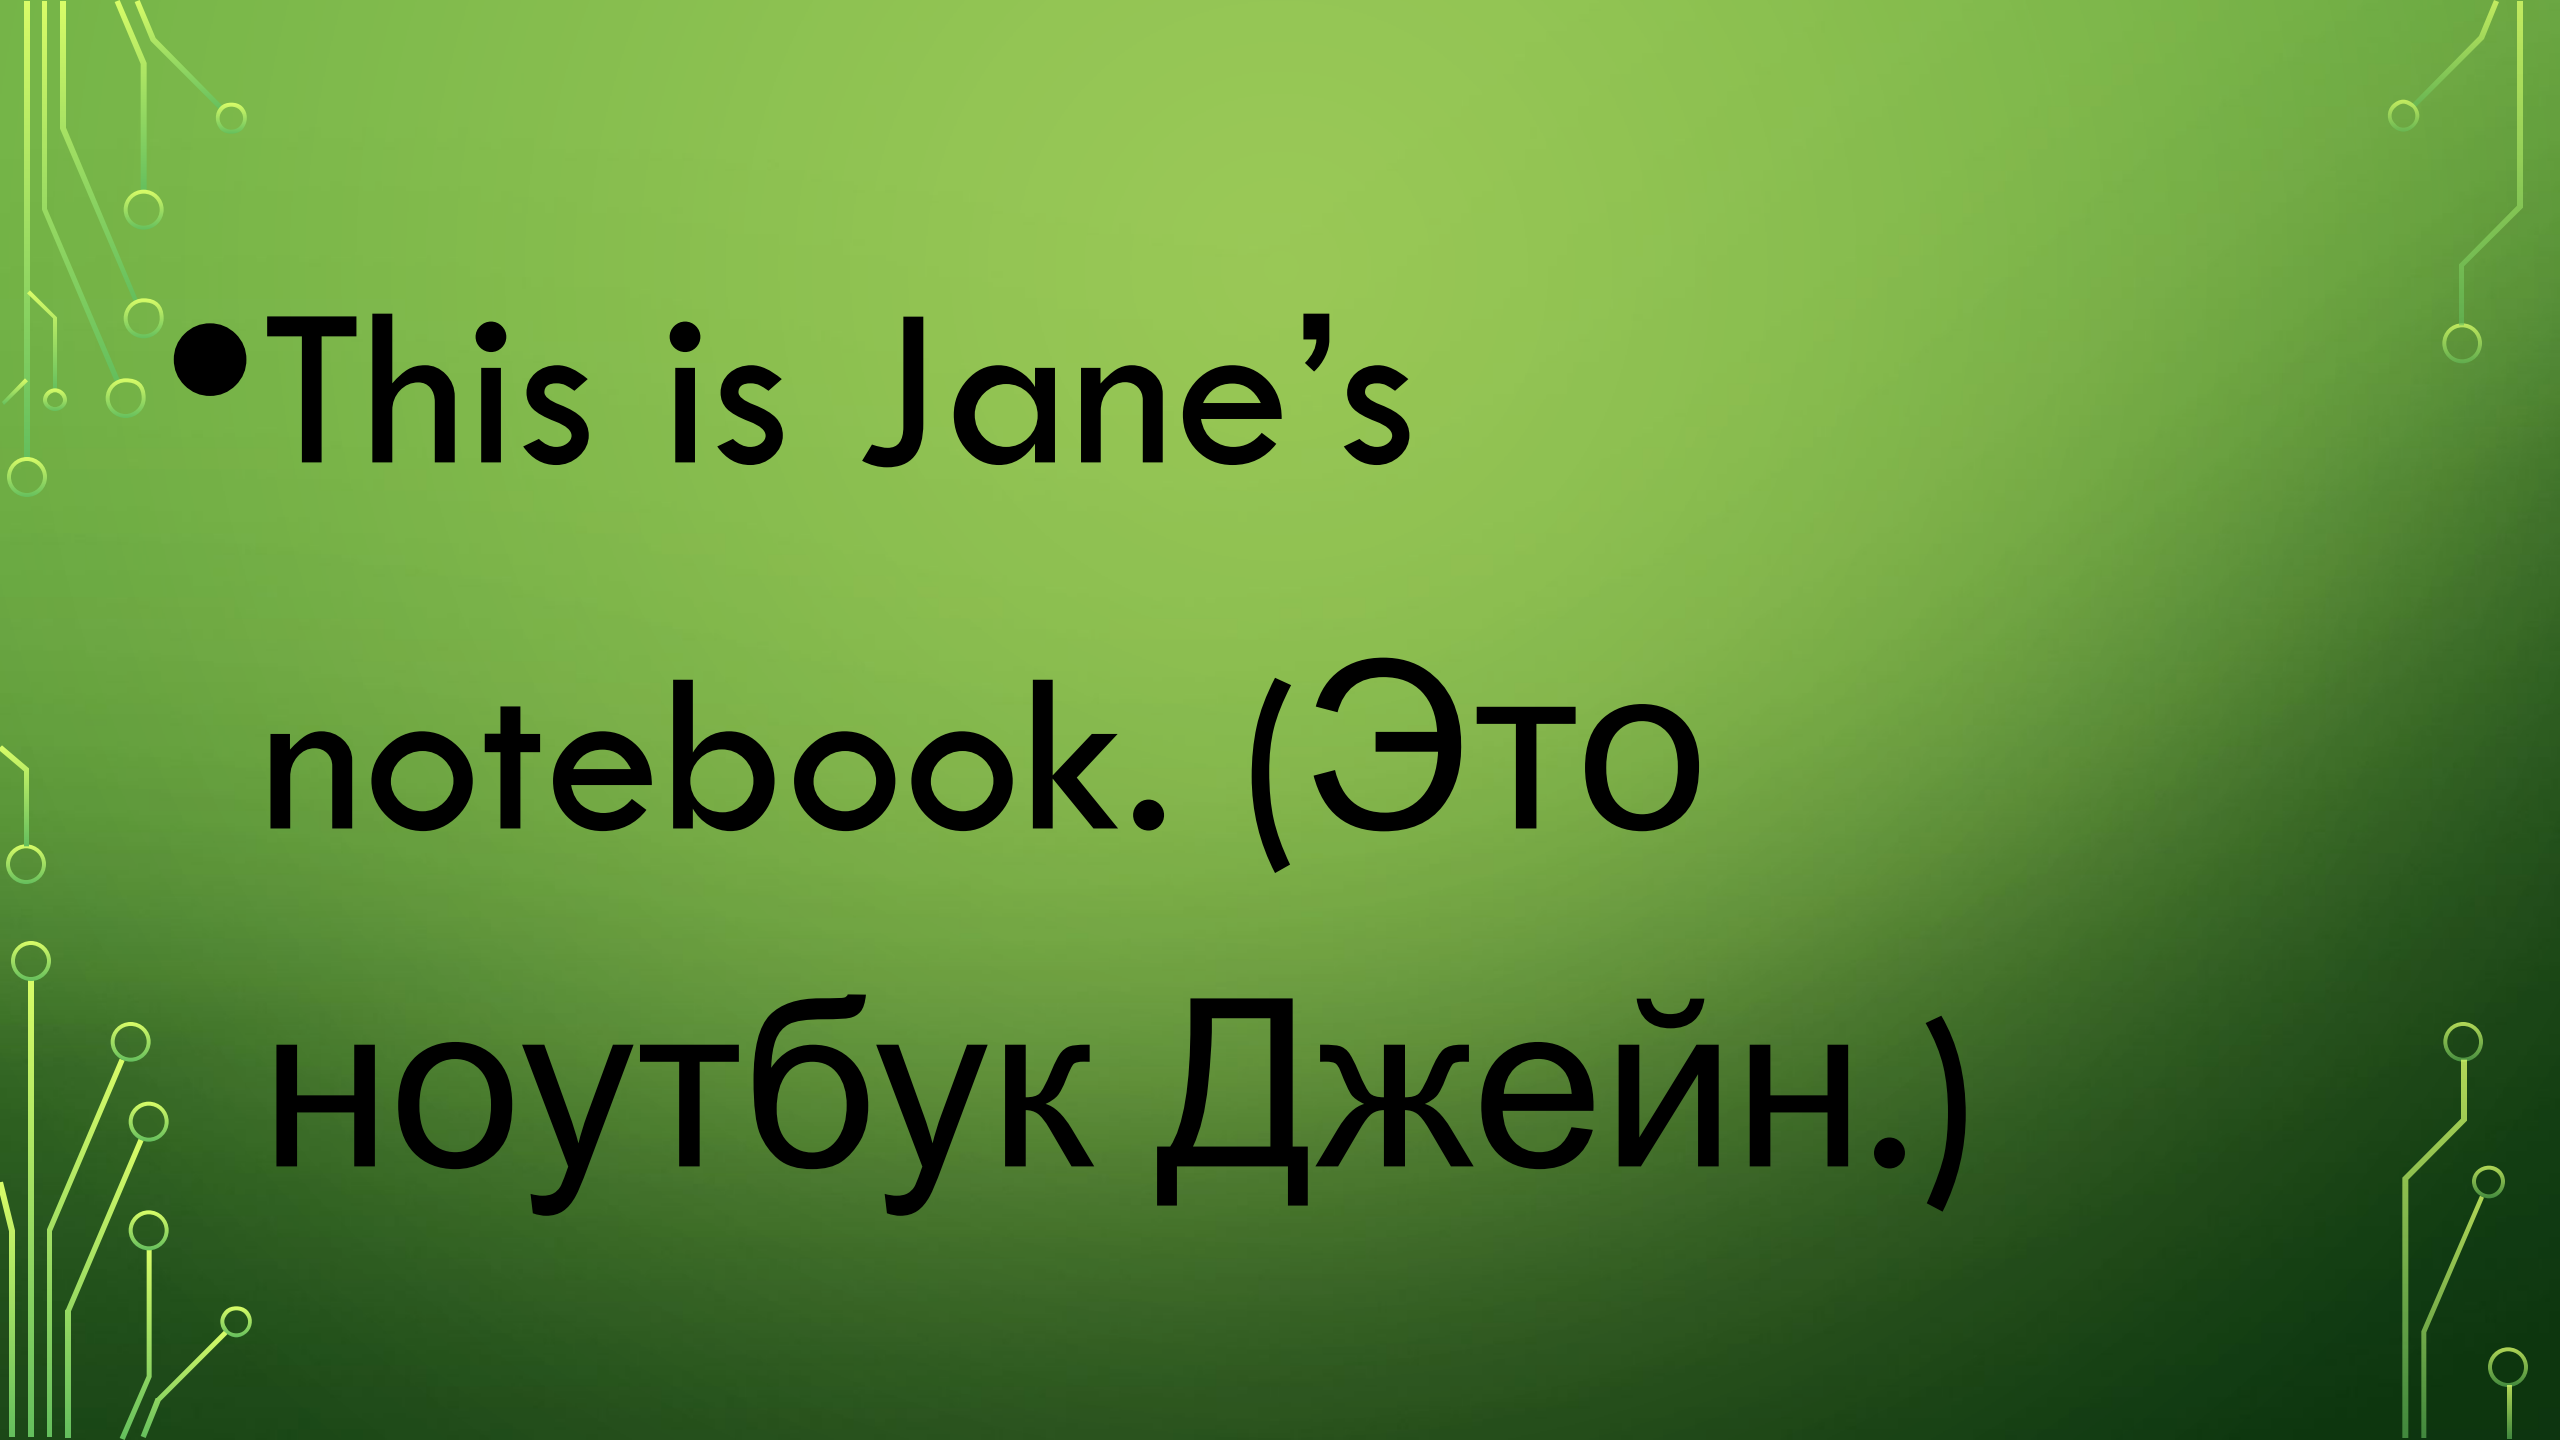

- This painting belongs to Picasso.

The image features a dark green gradient background. In the corners, there are decorative elements resembling circuit board traces or neural network connections, consisting of thin yellow lines and small yellow circles.

These poems
belong to Pushkin.

- 
- The background is a solid green color with a subtle gradient. In the corners, there are decorative elements resembling circuit board traces or neural network connections. These consist of thin, light green lines that branch out and terminate in small circles. The lines are more dense in the top-left and bottom-left corners and more sparse in the top-right and bottom-right corners.
- This helicopter belongs to our boss.

- 
- The background is a solid green color with a subtle gradient. In the corners, there are decorative elements resembling circuit board traces or neural network connections. These consist of thin, light green lines that branch out and terminate in small circles. The lines are more dense in the top-left and bottom-left corners and more sparse in the top-right and bottom-right corners.
- These dictionaries
belong to the students

- This is Jane's notebook. (Это ноутбук Джейн.)

- 
- The background is a solid green color. In the four corners, there are decorative elements resembling circuit board traces or stylized lines. These lines are light green and feature small circles at various points, creating a geometric, circuit-like pattern.
- These are our guests' suitcases. (Это чемоданы наших гостей.)

- This is my son's
bedroom. (Это
спальня моего
сына.)

The background is a solid green color. In the corners, there are decorative elements resembling circuit board traces. These are thin, light green lines that form various geometric shapes and connect to small circles, mimicking the layout of a printed circuit board. They are located in the top-left, top-right, bottom-left, and bottom-right corners.

- These are Mark's
keys. (Это ключи
Марка.)

The background is a solid dark green. In the corners, there are decorative elements resembling circuit board traces or neural network connections. These consist of thin, light green lines that branch out and terminate in small circles, some of which are also connected to other lines, creating a network-like pattern.

- This is Picasso's painting. (Это картина Пикассо.)

- These are Pushkin's poems. (Это поэмы Пушкина.)

The background is a solid green color. In the corners, there are decorative circuit-like patterns made of thin, light green lines and small circles, resembling a stylized PCB or electronic schematic.

- This is our boss's helicopter. (Это вертолет нашего босса.)

- These are the students' dictionaries. (Это словари студентов.)
