

Norrtälje

Twin city of Pskov

History

- Norrtälje traces its history to 1219, when the location was first mentioned as [Tälje](#).
- After some time, the name officially became Norrtälje, to distinguish it from the other Tälje in the province, Södertälje.

- In 1622 it was given a status of the city by Gustav II Adolf.

1700th

- Craft centre
- Manufactories
- Resort of Baltic coastline

- The name Roslagen comes from the word «rodzlag» which in coastal Uppland is an old word for a rowing crew of warrior oarsmen. Roslagen includes the municipalities of Vaxholm, Österåker, Norrtälje and Östhammar.
- Principal town – Norrtälje.
