- The river is one of my favorite places : we can spend all day long swimming and playing there in summer .

- In summer and in autumn we often go to the forest, there are a lot of mushrooms and berries there . My village is very beautiful , there is plenty of light , greens and flowers .

Our school is in the centre of the village . It is old , but it is very nice and I like it very much . The school was named after the Hero of the SU V. M. Balandin

In the centre of the village there is a large square with the monument to heroes of the Great Patriotic War .
