

USA School System

USA School System

There is no a single system of education. Each state has a right to determine its structure by itself.

Structure

Kindergarten (детский сад)
(3-5 years old)

Elementary School (начальная школа)
(6-11 years old) 1-6 grades

Junior High School (средняя школа)
(12-13 years old) 7-8 grades

High School (старшие классы,
входящие в систему высшего
образования)
(14-17 years old) 9-12 grades

Students

- **9th grades** – **freshmen** (ученик 9 класса)
- **10th grades** – **sophomores** (ученик 10 класса)
- **11th grades** – **juniors** (ученик 11 класса)
- **12th grades** – **seniors** (ученик 12 класса)

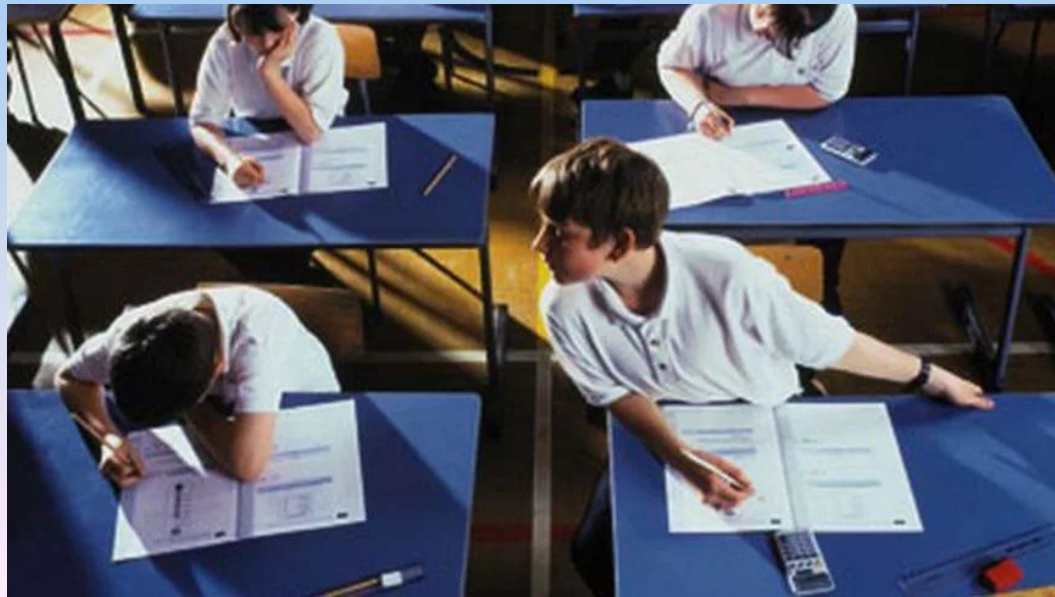

Tests

Students are tested regularly in 2 forms:

once a year by
standard intellectual
tests

2-3 times a
semester as a credit

Marks

- **A** «5» - **excellent** 15% of all students
- **B** «4» - **good** 25%
- **C** «3» - **medium** 35%
- **E** «3-» - **satisfactory** 15%
- **F** «2» - **bad** 10%
