A 3D rendering of the words "THANK YOU" in white, blocky letters, resting on a green grassy surface. The letters are thick and have a slightly weathered or matte finish. They are arranged in two lines: "THANK" on top and "YOU" below it. The perspective is from a slightly elevated angle, looking down at the letters. The grass is a vibrant green with visible blades, suggesting a soft, natural texture. The lighting is even, casting soft shadows from the letters onto the grass, which adds to the three-dimensional effect.
