

A whimsical illustration of a garden scene. At the top center is a large, smiling sun with a face, wearing a yellow crown and having rosy cheeks. To the left is a large, brown, mushroom-shaped house with a white beard and a small hat on its face. In the bottom left corner, a small gnome with a brown hat and a blue shirt is visible. In the bottom right corner, two hedgehogs are shown: one is pink with a blue flower on its head, and the other is green. The entire scene is framed by a green leafy border with several ladybugs. The title 'The ZOO' is written in red, bold, serif font, and 'Зоопарк' is written in the same style below it.
