

**My handy  
robot**

- 
- The background of the slide features a light blue, textured surface. In the top right corner, there are several interlocking gears of different sizes, rendered in a darker blue color. A faint, large clock face is visible in the background, centered behind the text.
1. I have got a friend. His name is Tom. He is very funny. He has got one leg. Tom has two hands with four fingers. Tom is blue. He is happy.
  2. I have got a friend. His name is Pink. He has got one eye. Pink hasn't got a nose. He can ride on his leg. He is good friend.

**I think he is..... because...**

A robot  
I've got a robot.  
Here it stands  
It's got no arms,  
It's got no hands.  
But it's got a head,  
And it's got four feet.  
It's got four legs  
To walk in the street.

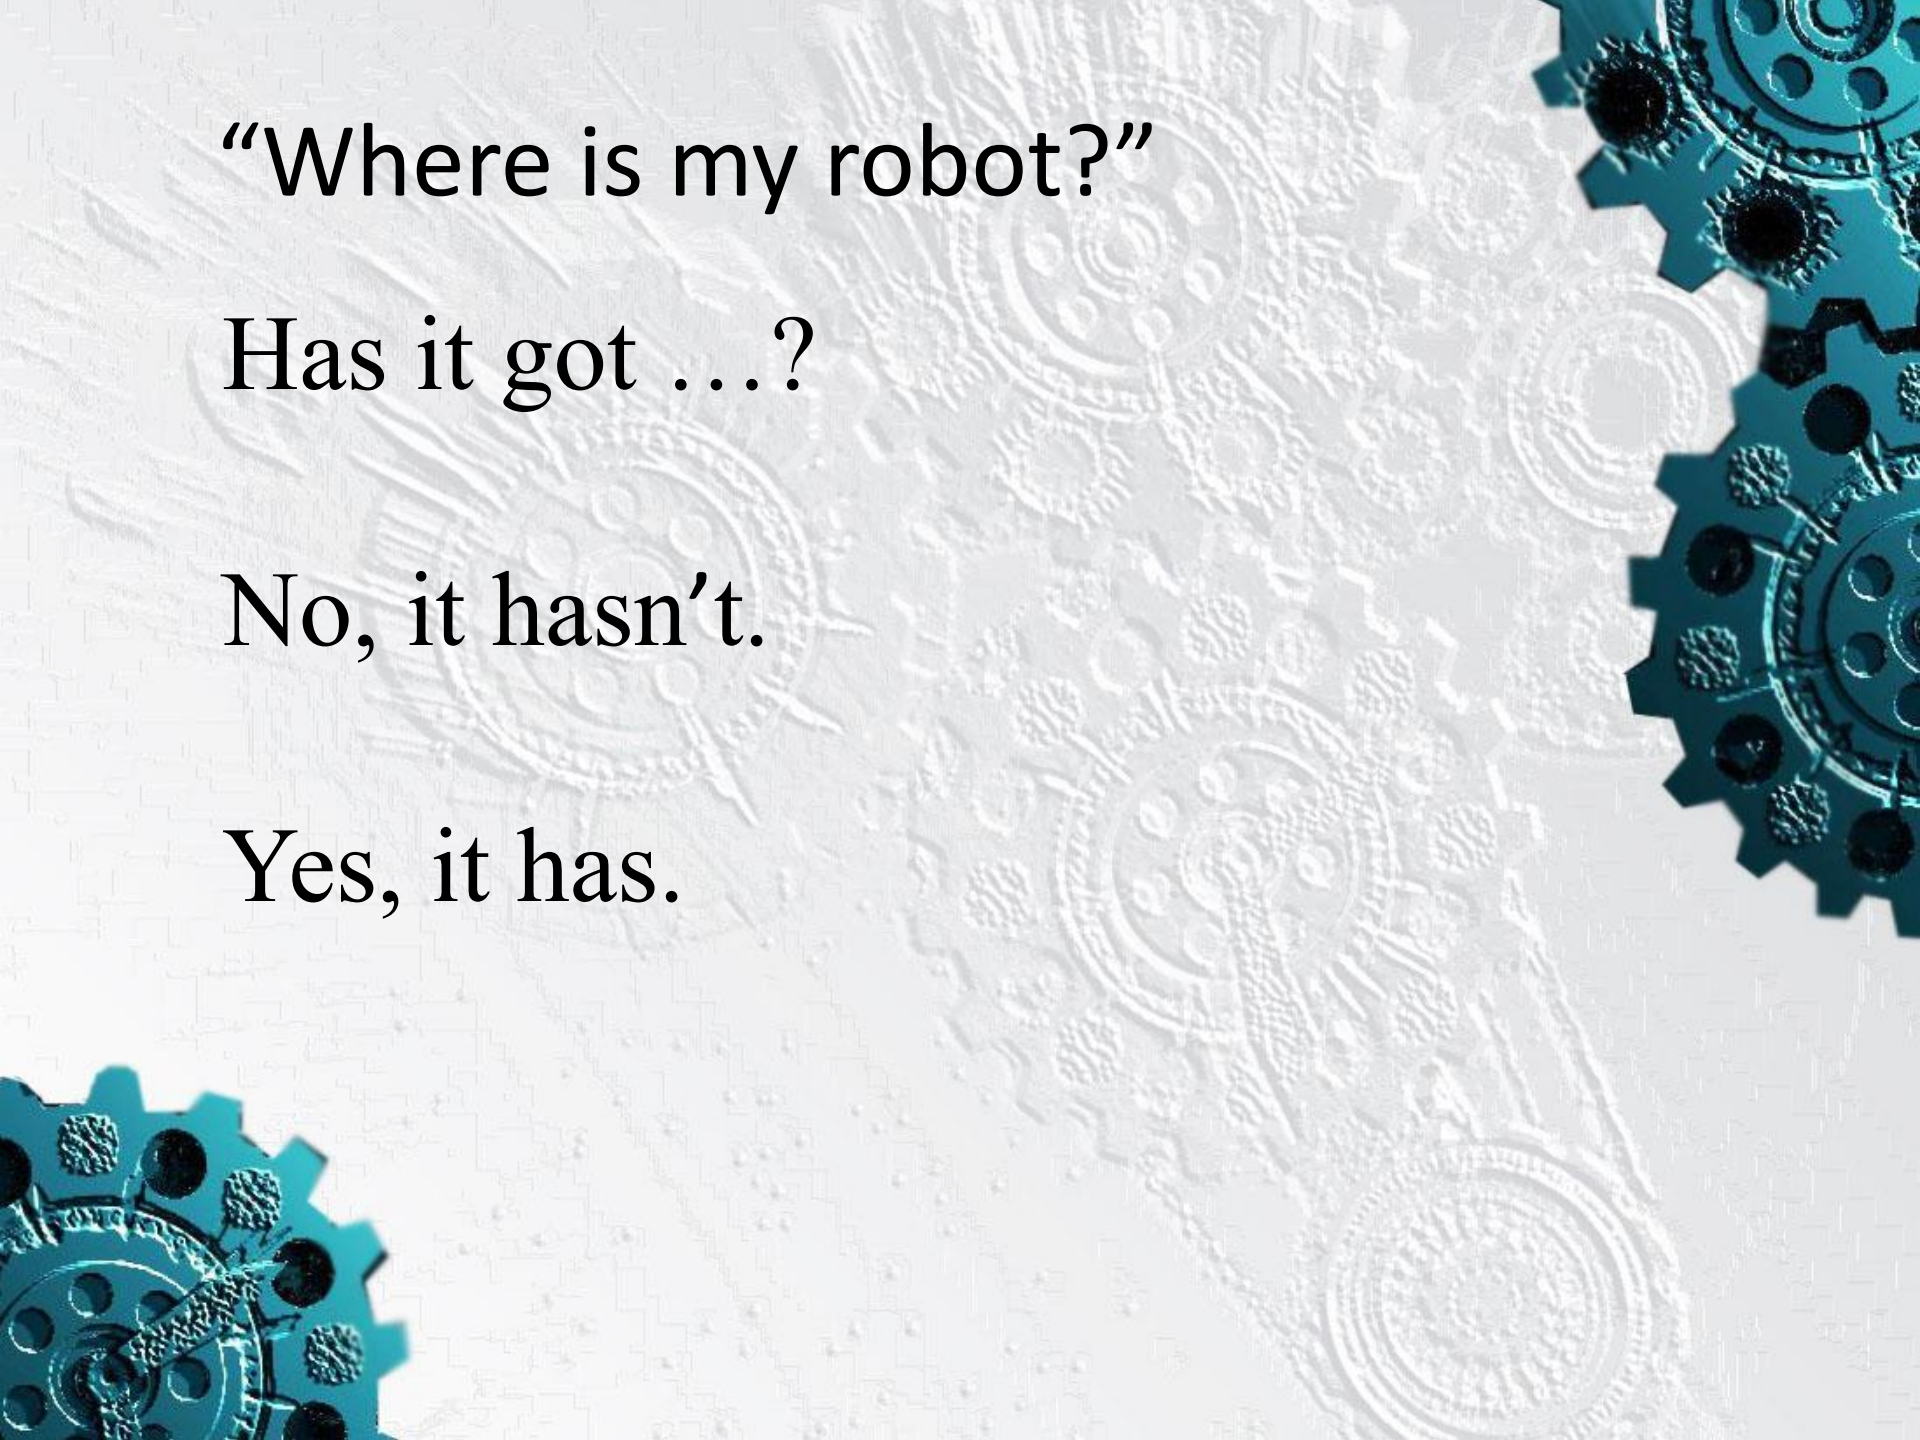

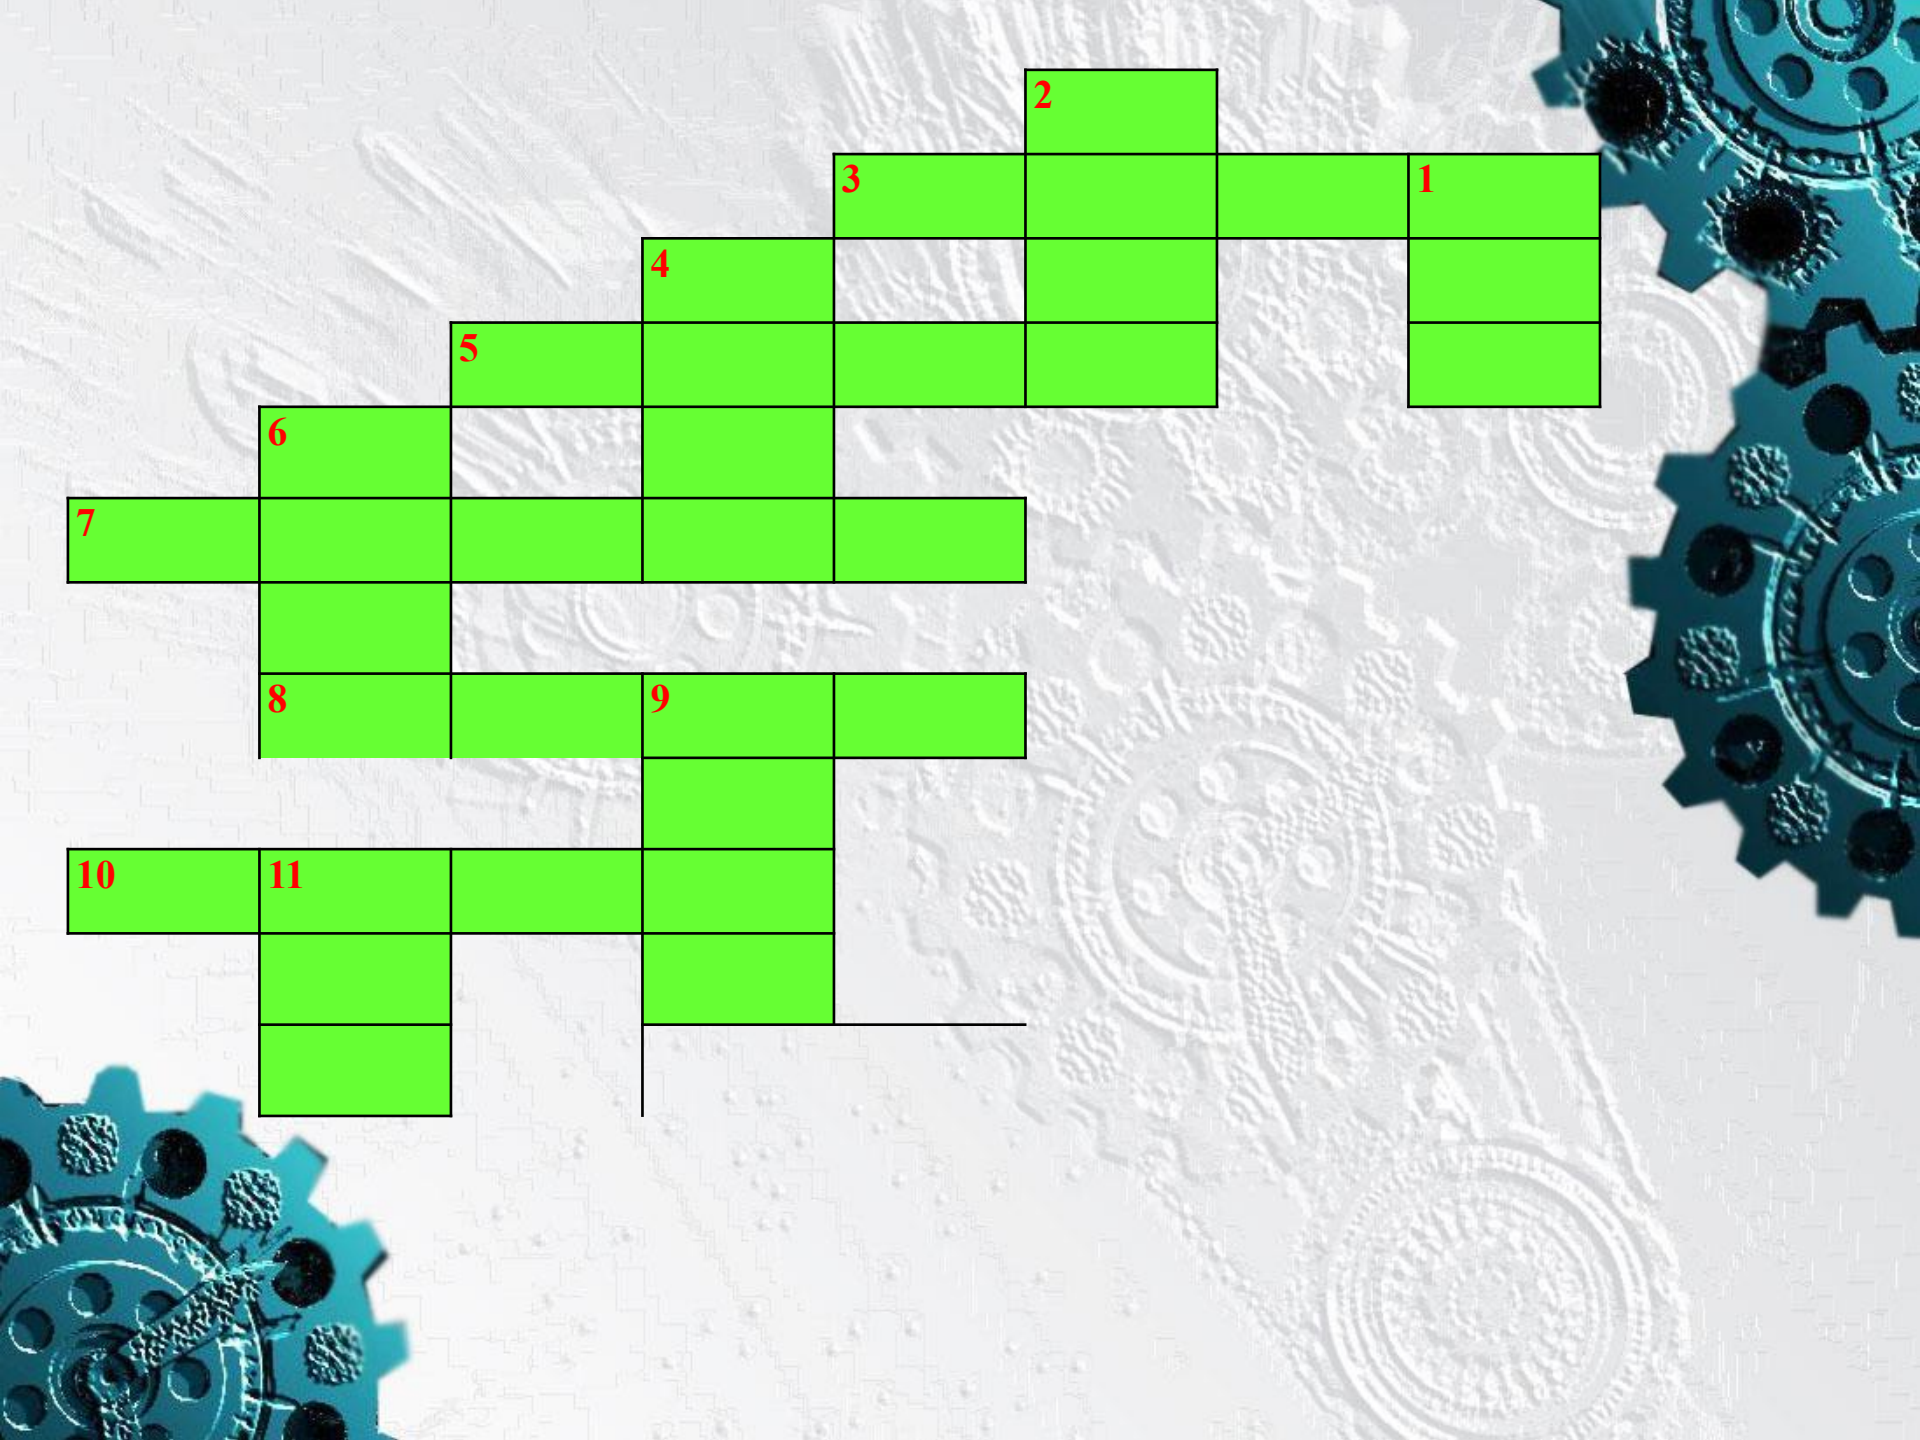

“Where is my robot?”

Has it got ...?

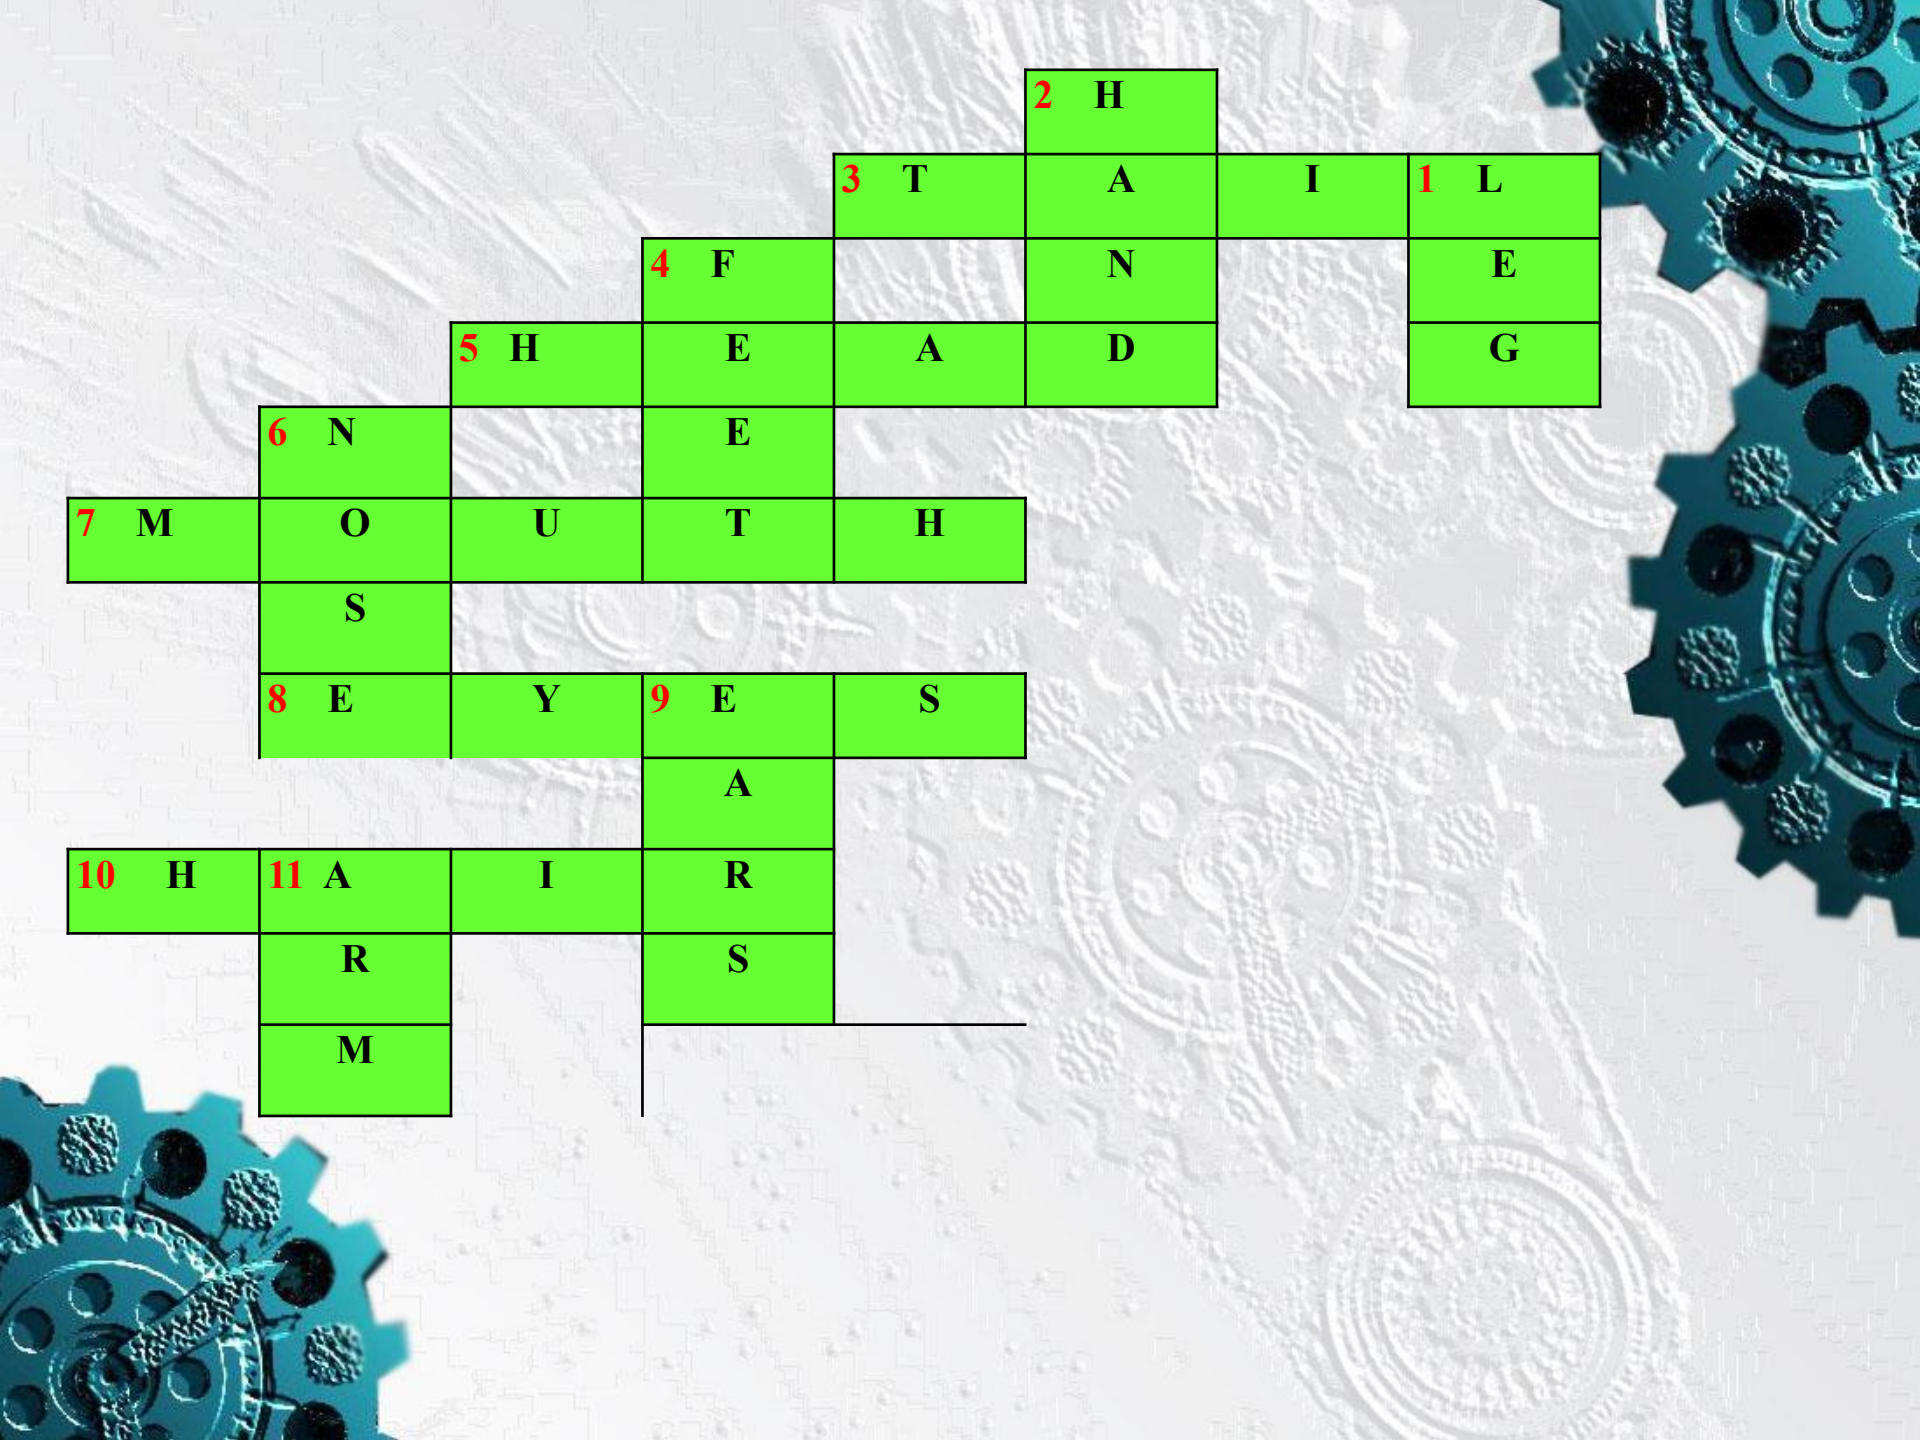

No, it hasn't.

Yes, it has.
