Introduction

**This book will take you to Wonderland.
The story about an amazing girl is
really exciting. To understand this
story you need to have a good sense of
humor.**

**I would like my presentation to help you
with it.**

**So let's start our journey through the
pages of this brilliant book...**

The main aim of my work

- is to tell you about my favourite character of the book. I really hope you'll like him as much as I do.
- Let's begin...

My favourite book character

My favourite book character is the Cheshire Puss(Cat)

- **Alice about the Cat:** 'Well! I've often seen a cat without a grin,' thought Alice; 'but a grin without a cat! It's the most curious thing I ever say in my life!'
- **Here is what the Cat said about the world in which Alice had got:**
'We're all mad here. I'm mad. You're mad.'
'How do you know I'm mad?' said Alice.
'You must be,' said the Cat, 'or you wouldn't have come here.'

Why do I like him?

The Cat could become invisible, and he could do it gradually, as Alice asked him not to appear suddenly because it scared her a lot.

Alice: 'I wish you wouldn't keep appearing and vanishing so suddenly: you make one quite giddy.'

'All right,' said **the Cat**; and this time it vanished quite slowly, beginning with the end of the tail, and ending with the grin, which remained some time after the rest of it had gone.

Oh, he is so cute, his eyes, his smile, even his voice, yes, yes his voice, while reading I imagined his soft and deep voice.

A real brave friend

- **The Cat became a real friend and a helper, an assistant and an adviser and even Alice's guide in Wonderland.**
- **Just imagine how brave he was!**

The Cat and the Queen

- **He could argue with the QUEEN and remain alive and well 😊 thanks for his talent to disappear 😊**

`Don't be impertinent,' said the King, `and don't look at me like that!' He got behind Alice as he spoke.

`A cat may look at a king,' said Alice. `I've read that in some book, but I don't remember where.'

`Well, it must be removed,' said the King very decidedly, and he called the Queen, who was passing at the moment, `My dear! I wish you would have this cat removed!'

The Queen had only one way of settling all difficulties, great or small. `Off with his head!' she said, without even looking round.

`I'll fetch the executioner myself,' said the King eagerly, and he hurried off.

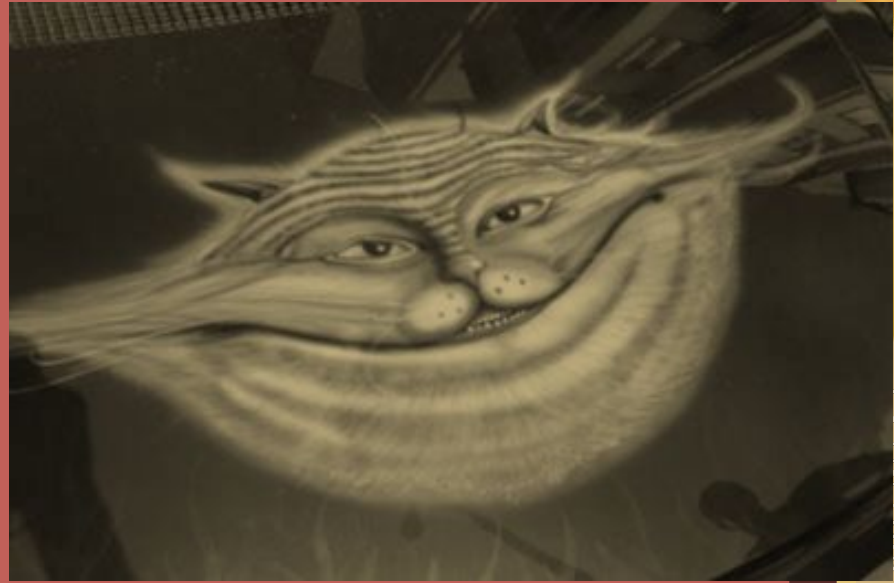

The conclusion

- The purpose of my presentation was to help you to believe that the Cat is wonderful and special. I hope that now you like him as much as I do.

‘The Cat only grinned when it saw Alice. It looked good-natured, she thought: still it had VERY long claws and a great many teeth, so she felt that it ought to be treated with respect.’

The Cat really deserves respect.
The Cat's facetious replies are fantastic and clever enough to be remembered forever.
