Mother Teresa

Mother Teresa (Агнесс
Гонджа Бояджиу) was
born in 1910 in
Macedonia

Every morning, Mother Teresa started with a few hours of prayer.

From 1931 to 1948 Mother Teresa taught at St. Mary's convent school. In 1948 she left the convent and devote herself to working among the poorest of the poor in the slums in Calcutta

In 1979, Mother Teresa was awarded the Nobel Peace Prize. In the former USSR Mother Teresa is known for using the victims of the Chernobyl accident.

She died in 1997, at age 87

"Yesterday is gone. Tomorrow
hasn't come yet. We have only
today. So let's get started! "

A close-up photograph of pink cherry blossoms. The flowers are in various stages of bloom, with some showing prominent yellow stamens. The background is a soft, out-of-focus blur of more blossoms, creating a dreamy, ethereal atmosphere. The lighting is bright and even, highlighting the delicate petals.
