fuel	i)be very dirty
cause pollution	j)to make the environment dirty

Future Simple

will/won't V_1

He thinks he _____

We use **will** to make predictions about the future based on what we think or imagine. We often begin our sentence with the words: *I think, I'm sure, I believe.*
I think life will be very different in 2100.

6 🔊 Fill in sentences 1-4 with *will* or *won't*. Listen to John making predictions about the future and check.

1 I'm sure robots ...**will**........... do most of the housework.

2 There **won't** .... be many plants and animals left on the planet.

3 I think the earth **will** .... be very polluted in 2100.

4 If we continue to pollute the earth, there .. **won't** .... be any clean water left.

First conditional

- We use the present simple after **if** and **when**, not the future simple.
- **if/when + present simple**
  *If/When I **go** to Spain, I will take lots of photographs.*

NOT: *If/When I will go to Spain, ...*

- If ____ + V/Vs, __ will/won't V_1.
- If ____ + don't/doesn't V , __ will/won't V_1.
