

My hobby

Glebysheva Lina

- What is a hobby? It is what you like to do if you have free time.
- Hobbies differ like tastes. The most popular hobbies among children are: collecting computer games, postcard, drawing, stamps.

- Children who are interested in collecting computer games, like to play with computer.
- They buy new compact disks or change them with their friends.

- As for me, my hobby is dancing. I have been dancing for 6 years.
- I began to dance ballet dances when I was 5.

- My teacher is Galina Tomazo. She is the best and the only ballet dancer in our town. I can dance different dances but most of all prefer ballet dances. I performed in different cities such as: Abakan, Moscow, Sochi.

- It was fantastic. People applauded me after my performance. I was happy. I think my hobby is very beautiful because people get pleasure from it and besides my hobby brings me up.

- I teach to be punctual, patient. And besides dancing is good for my body and health.
