HOUSE MUSEUMS IN RUSSIA

A decorative border made of brown, swirling scrollwork frames the text on the left and right sides, with a horizontal flourish at the top and bottom.

In Russia the homes of famous people of the past such as poets, writers, composers and artists are now house museums. You can see different things there: armchairs and mirrors, tables and chairs, pictures and shelves, clothes and even toys. People come here to learn about their lives. Pupils do projects about these great people.
