HOW DO YOU PLAY BASKETBALL?

by Stanley Davis

Each team (1) must have five players.

Teams (2) have five extra players and they (3) use them when the coach makes a change.

How do you score?

A player (4) put the ball through the basket that belongs to the other team.

These are some basic rules:

- ❖ The players (5) play with their hands. They (6) kick the ball with their feet.
- ❖ They (7) run with the ball in their hands.
The players (8) move with the ball in their hands if they bounce it on the ground.
- ❖ They (9) touch their opponents at all. That's a foul!
When the ball doesn't go into the basket, the players of both teams (10) try to get it.
