

The Beatles

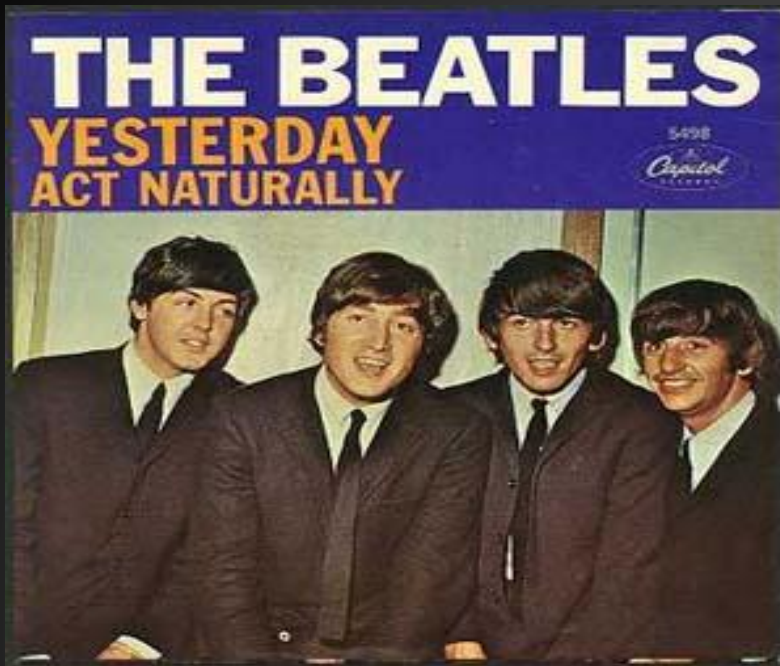

“The Beatles”

The Beatles – Legendary British rock band from Liverpool.

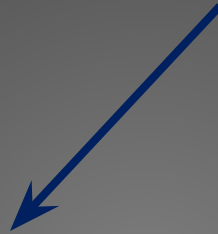

New directions in creativity and the end of live performances (1965 – 1966).

Summer 1965 was a watershed in the history of rock music. From dancing, entertainment it became a serious art. 12 of October in London, they started recording the album “Rubber Soul”, marked the beginning of a new phase not only in their work, but also in rock music culture in general. A 3 of December, 1965 the album was already lying on the shelves of music stores. In the album’s songs were first introduced elements of mysticism, surrealism, so characteristic of “The Beatles” in future.

It's a monument
of band "The Beatles".
