Spotlight on Russia

Spotlight on Russia talks to Marina Smirnova – a 12-year-old student from St Petersburg.

Hi, my name is Marina Smirnova. I'm 12 years old and I live in the beautiful city of St Petersburg. My daily routine is typical of most students my age.

I get up at 7:00 am and after a quick breakfast I walk to school. School starts at 8:00 am and finishes at 2:00pm from Monday to Friday. There are 30 students in my class and every day we have 6-7 lessons. Each lesson lasts 45 minutes with a 10-minute break in between. My favourite lessons are history and maths. They are both very interesting. We have lunch in the school canteen during the longer break in the afternoon. We have many exciting things to do at school after classes. On Tuesday and Thursday I have guitar lessons.

After school I go home and eat a snack before I start on my homework. We always have lots of homework to do and it usually takes me 2-3 hours to finish it. Around 6 o'clock in the evening, I have dinner with my family. I enjoy this time because on weekdays it's the only chance we have to relax and be together as a family.

After dinner, I usually watch TV. I like watching Sports and Music shows. Sometimes I play a game of chess with my father. Most nights I go to bed at 10:30pm and read for a while before I go to sleep.

What kind of life do you lead? Write in and tell us.
