

AFTER RAIN COMES FINE WEATHER

One boy was walking with his
friends and was a heavy
downpour.

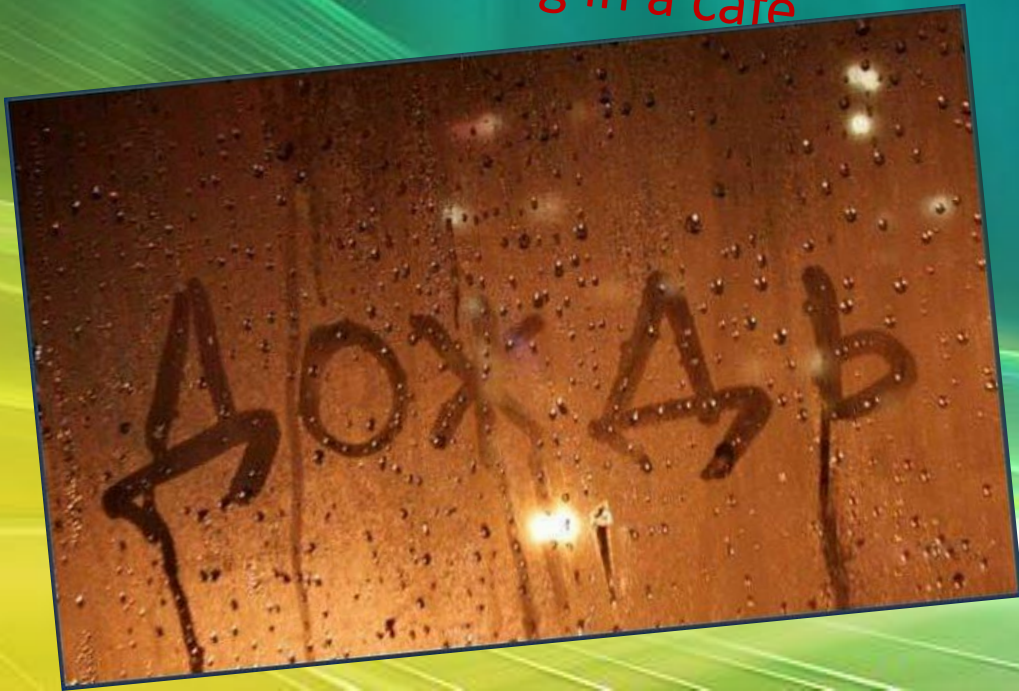

Then they took refuge from the rain in one of the cafes or soaked, they ordered a hot coffee.

This day was important to them, and they did not think this day would end this way, rain and dull evening in a cafe

But the rain gradually fell
silent and the mood of the
boys began to grow. One of
them said: "after the rain
comes the good weather"

The background is an abstract composition of vibrant green and yellow light streaks. These streaks are dynamic, appearing to flow and curve across the frame, creating a sense of motion and energy. The colors transition from a deep teal-green at the top to a bright, almost white-yellow at the bottom, where the streaks are most concentrated and intense. The overall effect is a futuristic and high-tech aesthetic.
