• **Dangerous spiders.**

**Black widow.** Widow *n*- ВДОВА

Male *n*- САМЕЦ

This is one of the most poisonous spiders in the world.

It lives in a web. It eats insects big and small.

It catches them in the web and uses its poisonous pincers to kill them. The black widow has eight long legs and a black body. The male black widow spider is much smaller than the female. Sometimes the female black widow kills the male.

- It is one of the biggest spiders in the world. \_\_\_\_\_
- It is poisonous. \_\_\_\_\_
- It has six legs. \_\_\_\_\_
- It is not dangerous. \_\_\_\_\_
- The body is red. \_\_\_\_\_
- It can bite. \_\_\_\_\_

- A few tips on how to look after a dog.
- You mustn't give your dog too much food.
- You must house-train your dog.
- You mustn't give your dog chocolate.
- You mustn't leave your in a car in warm weather.
- ополоснуть
- You must brush your dog's teeth.
- You must bath your dog.

A\_\_\_ Chocolate is toxic to dogs. It can even kill a dog.

B\_\_\_ A fat dog can't run and move. Extra fat shortens a dog's life. Your dog is too fat if you can't feel your dog's ribs or see its waist from above. An adult dog can do well on two or even one meal a day.

C\_\_\_ Dogs get cool when they breathe in cool air. If a dog is breathing in warm air, it gets over hot.

Dogs can die in minutes in a hot car.

D\_\_\_ Dogs get toothache. If a dog has bad teeth, it may also have a heart problem, not only terrible "dog breath" from its mouth. Brush your dog's teeth with special dog toothpaste. Large bones, hard bread or biscuits also clean a dog's teeth.

E\_\_\_ To house-train your dog wait till it is four months old. Watch it.

When your puppy stops playing and starts to sniff the floor, take it out to the toilet.

F\_\_\_ Bath your dog once a month. Use warm water. First wash its head and ears with water only. Then shampoo and wash it from front to back and from top to bottom. Rinse your dog well.

- Who is the fastest? \_\_\_\_\_
- What is a kangaroo? \_\_\_\_\_

A kangaroo is an animal which lives only in Australia. It eats grass and plants.

It has got short front legs, but very long and very strong back legs and a tail.

It uses them for sitting up on and for jumping. Kangaroos can jump over 8 m, and

can jump as high as 3 m. They can also run very fast, over 45 km per hour.

The largest kangaroos are the great grey kangaroo and the red kangaroo.

They grow to 1.60 m high and weigh over 90 kg.

Kangaroos are very good mothers, they have a sort of pocket at the front of their bodies.

A baby kangaroo is very small when it is born, and spends its first five months of life in its mother's pocket.

**Taking your pet to the vet.**

Parakeet n- большой попугай.

**I've got a pet. It's a parakeet.**

**His name is Fred. He is also cute and wonderful. He calls me, "Car-r-rie, Car-r-rie" and I give him his favourite food. About three weeks ago I went into a pet shop to buy something for him and saw a little budgie. It looked unhappy. I asked about it and they told me it had a broken leg.**

**One day the budgie got out of its cage, flew around and landed on the other bigger bird's cage. The bigger bird bit it and hurt its leg. The budgie looked very, very ill.**

**I left the shop but then came back and took the budgie home "for free".**

**We visited the vet twice and he gave it some tablets and vitamins.**

**First I named it Jack. But then I guessed that it was a girl and named her Lucky Jackie.**

**Fred called her, "Jack- k- kie, Luck-k- ky" and I gave her the vitamins. I'm so happy that she is fine now.**

**I love my pets. They are my little friends.**

**What is the girl's name?**

**Why did she go to a pet shop?**

**What was the matter with the budgie?**

**How did it happen?**

**How many times did they visit the vet?**

### **5. Virtual Puppy Owner's Manual.**

Thank you for adopting a Virtual Puppy!

Here are a few tips on how to keep your Puppy happy& healthy.

After every action, you are going to get information on how your puppy is doing.

Happy (between 0 and 10): Tells you how happy your puppy is.

Puppies that are happier are healthier as well.

Hungry (between 0 and 5): Tells you how hungry your puppy is.

If your puppy gets hungry, click on the food bowl under "Actions" to feed it.

Puppies that eat well are happier.

Toilet (between 0 and 3): don't forget to clean up after your puppy.

Your puppy doesn't like that, and you could step in something!

Energy (between 0 and 5): If your puppy's energy gets down to zero, it must visit the vet.

Puppies need exercise, but also need rest!

When you are done playing with your puppy, click on the little door under "Actions" to leave it.

Your puppy will go to sleep. Don't forget to come back and play with your puppy.

Puppies need attention from time to time, or they become unhappy and hungry.

If you go on vacation, board your puppy at our Virtual Puppy Kennel.

We will watch and look after your puppy for free while you're gone. Have a good time!
