

# Better safe than sorry

Module 1 b

# Safety rules

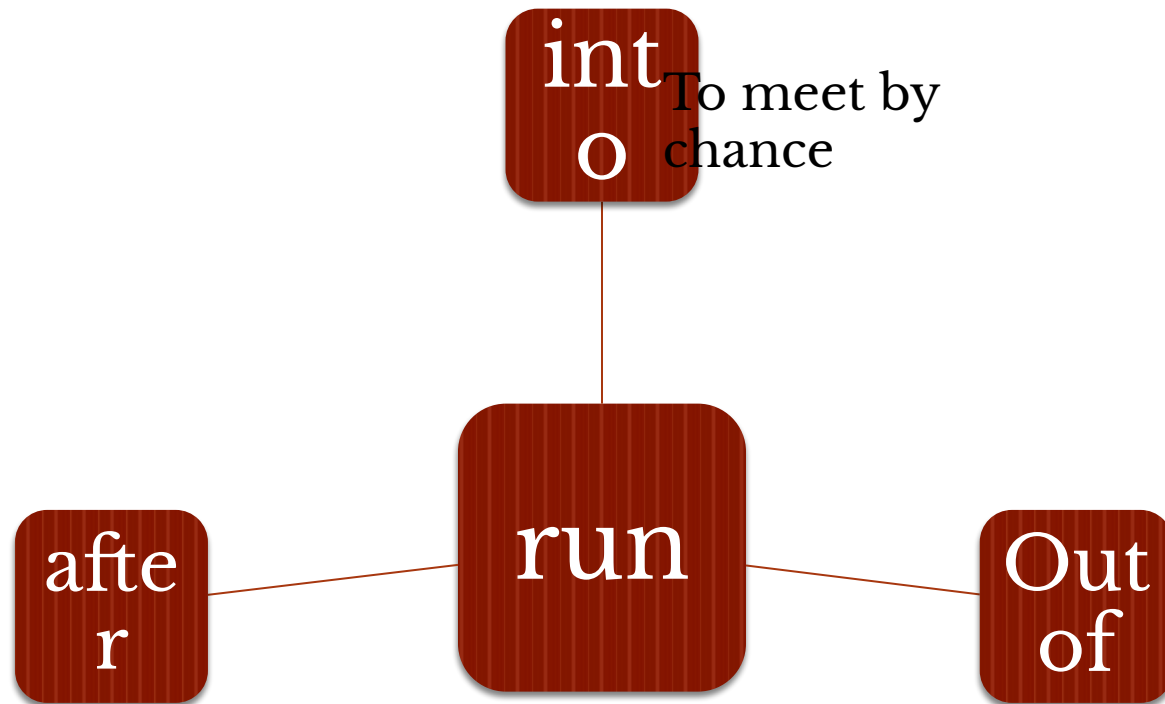

- Peephole
- Switch on
- ID
- Alarm system
- Install
- A burglar breaks in
- Hand over valuables
- Steal things
- Crime

# Word formation

- We normally form adverbs from adjectives by adding **-ly**, real **-really**, proper—**properly**
  - Careful
  - Safe
  - Sure
  - Bad

# Phrasal verb - Run

to run to try to catch  
somebody/something

to be used  
up

# Should(n't)

- We use **should/shouldn't** to give advice.
- You are tired. You **should** have a rest!
- You **shouldn't** eat so much. It's bad for you.

A splitting headache – раскалывается  
голова

Take a painkiller – принять  
обезболивающее

A toothache – зубная боль

Feet hurt – болят ноги

# listening

1. Area
2. Mobile  
phone
3. Money
4. Items
5. Burglar

# Asking for/giving advice

Asking for advice	Giving advice
<ul style="list-style-type: none"><li>• What should I/we do to...?</li><li>• What's the best way to...?</li><li>• How can I/we...?</li></ul>	<ul style="list-style-type: none"><li>• I think/don't think you should...</li><li>• You should (not)...</li><li>• How about... +ing</li><li>• Why don't you...?</li></ul>

**A:** What should we do before answering the door?

**B:** We should look through the peephole and put the chain on the door. etc.
