Every summer our family makes a trip to **Oban**. I really like it **here**. We can do many interesting things in this small town. Oban is on the **seacoast**. I swim in the sea. My uncle has got 2 horses and my brother Jay rides a horse every morning. My dad likes fishing and he fishes. And every time I am in Oban, I am in Oban, I go to **A World in Miniature**. It has got a great collection of doll`s houses. They are so nice!

Clare, 11

Every year, in August our family goes to Oban. We have visited Oban every year since Celia was 3. It is a very interesting town. We usually travel by **boat** around the **isles** of Mull and Staffa, visit a **regatta** and enjoy interesting shows in August. My sister Celia likes watching a **canoeing** show and my brother Oliver enjoys visiting **The Oban War and Peace Museum**. It has got a rich collection of **historical items**. Oban is really a wonderful town.
