

What do you know about international body language

1) In Thailand and Bulgaria if you **shake / nod** your head it means «no».

2) Japanese people **smile** / **frown**
when they are confused.

3) In Paris people **kiss / shake hands** four times when they meet.

4) People from Asia don't normally **hug / smile at each other** when they meet.

5) If you **wink** / **frown** at somebody in the UK it means that you like them.
