10-9 "4"  
8-7 "3"

## What music do you listen to?"

There are many musical styles. Some of them are popular among the young people. Others are popular with grown-ups. I think we like music because (1)\_\_\_\_\_. That is why different people like different musical styles.

For example, the music of Mozart. Now it is called classical music. Everyone admires Mozart, both the young and the old. But for his time Mozart was a revolutionary, he (2)\_\_\_\_\_. I think young people all over the world like classical music. My favorite classical composer is Mozart. Classical music is international, but every nation has its own music, folk music. The British are very fond of their folk music. They hold special Folk festivals, where (3)\_\_\_\_\_

There are special musical styles as jazz. I know that jazz (4)\_\_\_\_\_ in the southern states of the USA at the beginning of the XX century. I like jazz compositions because they are rhythmical. It is easy to dance to them. My parents like jazz too.

Still young people like light music(5)\_\_\_\_\_. Some like techno, heavy metal and rap. Most of my friends like dancing music for parties. As for me, I like pop music, because it is light, and improves my mood when I am gloomy. I like to watch video clips of Philip Kirkorov, Madonna, and Britney Spears. Their clips are pieces of art. Their songs are melodic and romantic. I respect Madonna and Also. I see that they work hard. That is why their songs are so popular. I also like to dance. Pop music is very rhythmical and (6)\_\_\_\_\_
