Autumn

**It is the season
When fruit is sweet,
It is the season
When school-friends meet.**

Winter

**It is the season
When children ski
And Grandfather Frost
Brings the New Year Tree.**

Spring

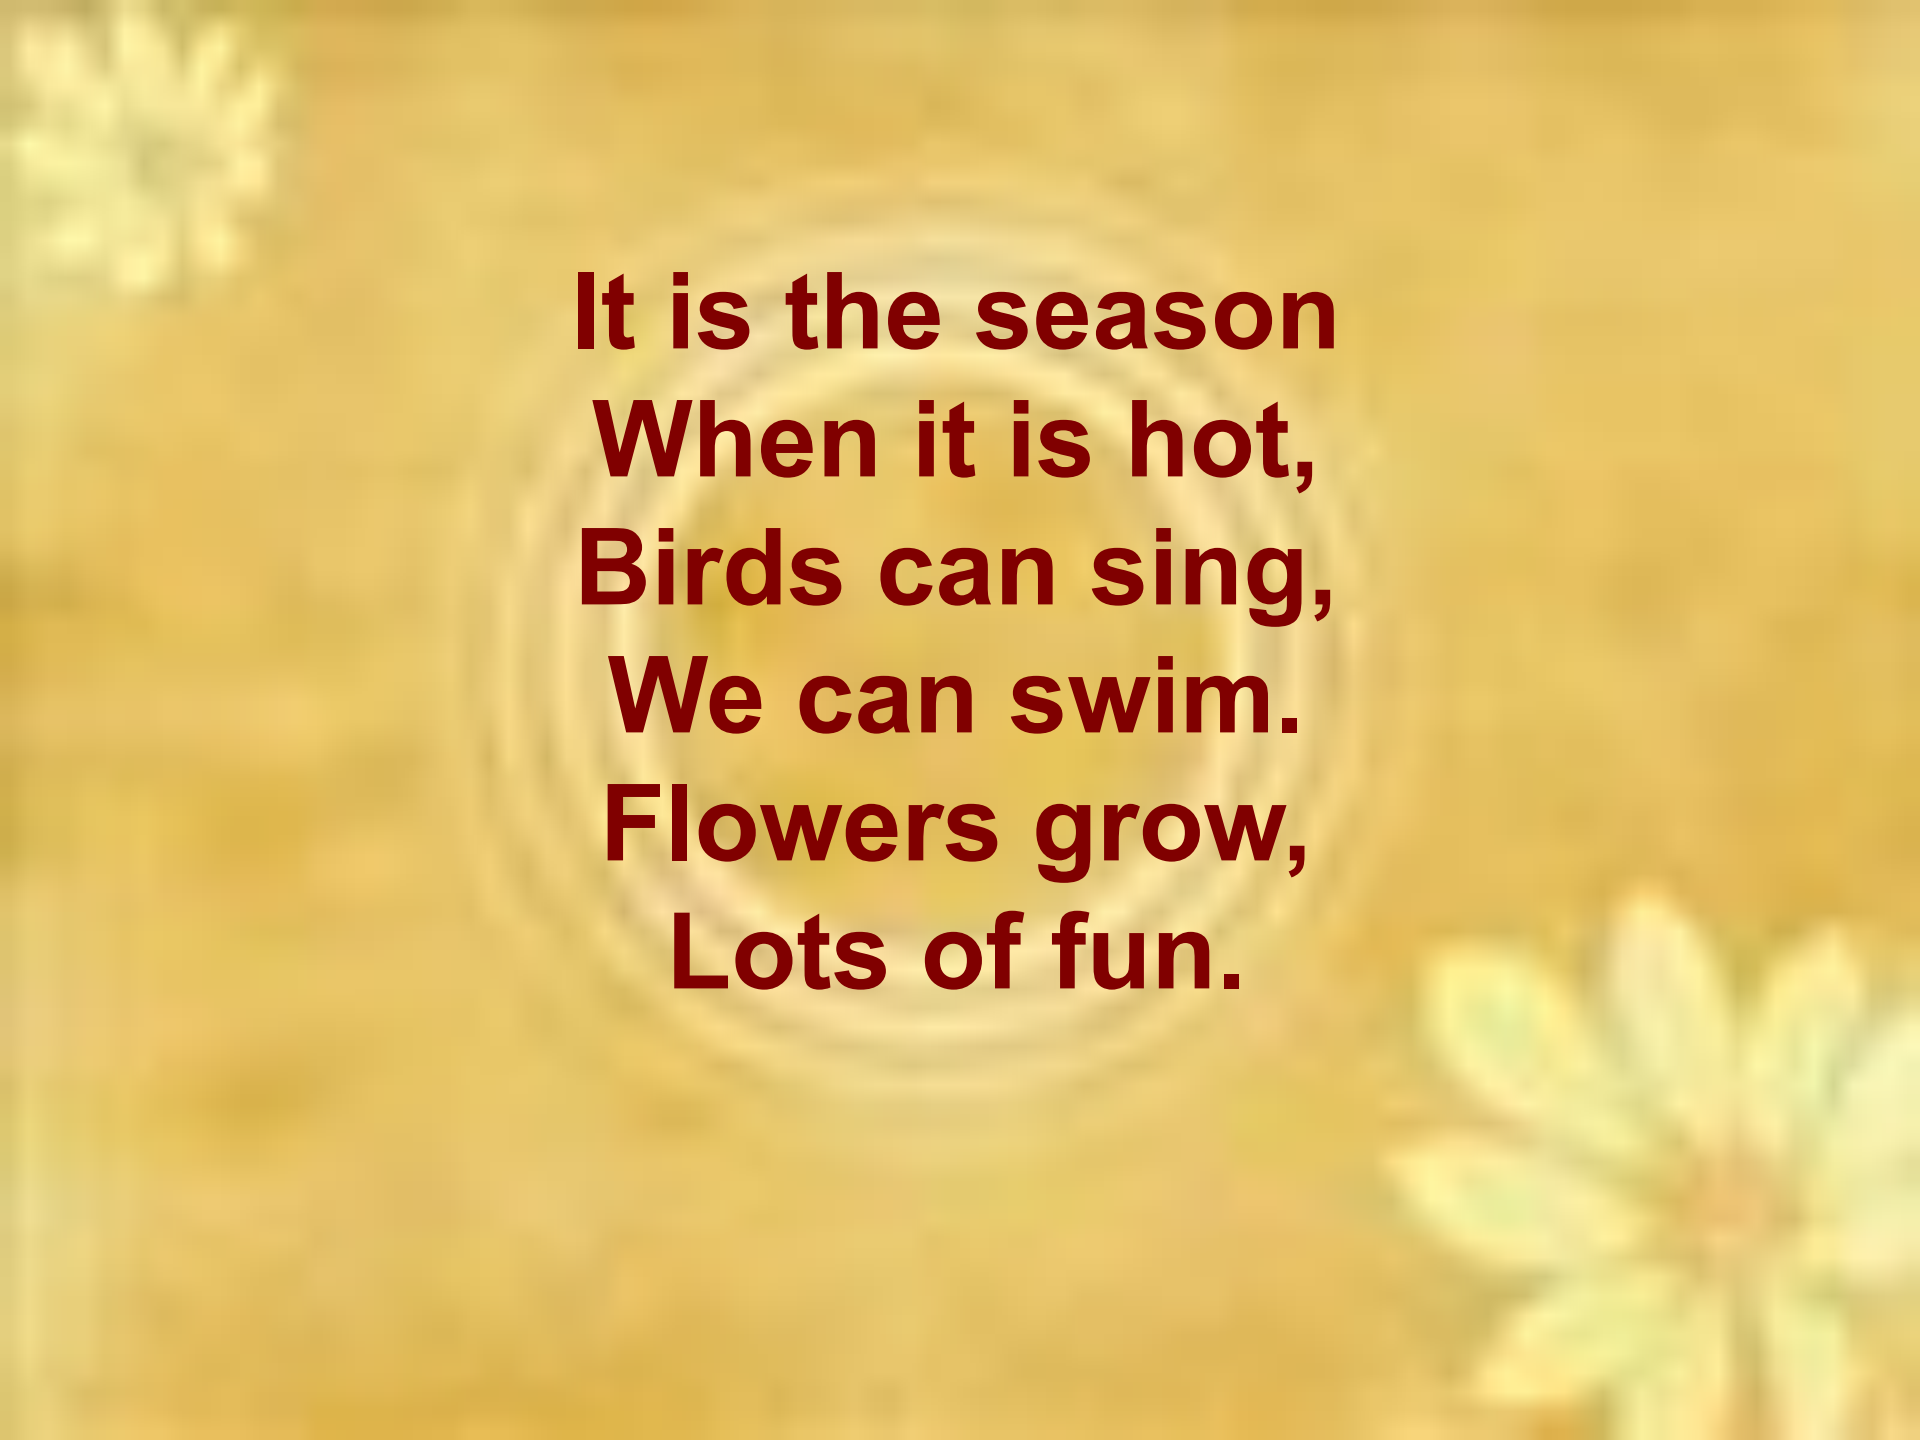

**It is the season
When snowdrops bloom,
It is the season
When it is fresh and green.
It is the season
When birds come back.**

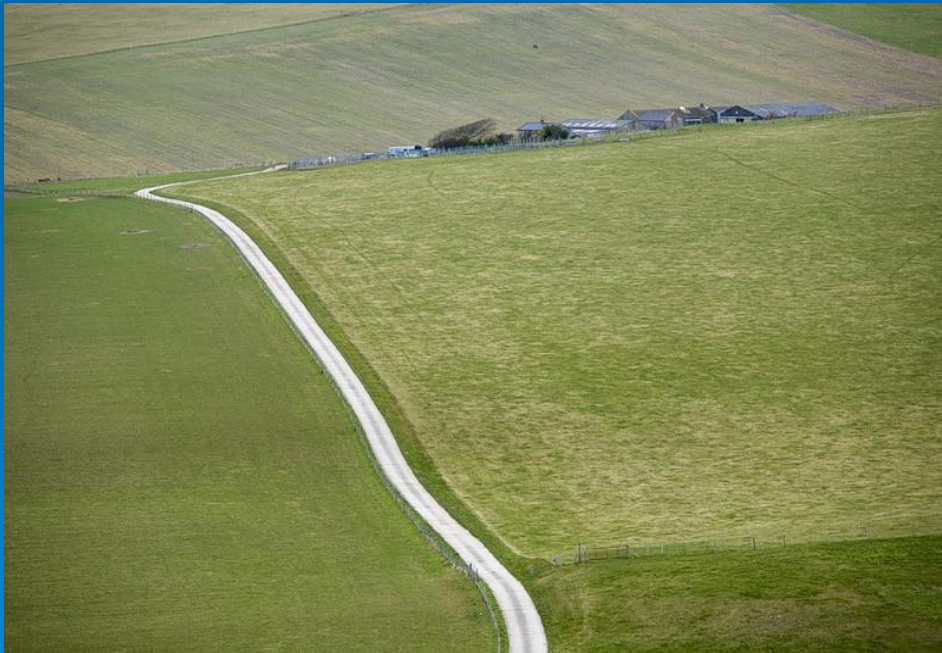

Summer

**It is the season
When it is hot,
Birds can sing,
We can swim.
Flowers grow,
Lots of fun.**
