

Why does the Queen have two birthdays?

Официальный день рождения королевы

Это день, в который официально отмечается день рождения монарха Соединённого королевства и Содружества наций (не совпадает с настоящим днём рождения королевы – 21 апреля). В Великобритании день отмечается с 1748 года праздником Выноса знамени (также известным как парад в день рождения королевы). В Великобритании этот день отмечается в первую или вторую субботу июня.

Queen's official birthday

It is the selected day in the UK on which the birthday of the monarch (currently Queen Elizabeth II) is officially celebrated. The monarch's birthday has been celebrated in the United Kingdom since 1748, during the reign of King George II. Since 1959 Queen Official Birthday celebrates on the first or second Saturday of June.
