

The background is a rich, warm golden-yellow color. It is decorated with numerous bright, multi-pointed starburst lights of varying sizes, some appearing as soft glows and others as sharp points of light. Scattered throughout are stylized snowflakes in shades of gold and light brown. The overall effect is one of warmth and celebration, typical of a winter or holiday-themed graphic.

THE 7TH OF NOVEMBER.

Homework

When was
Astana
founded?

When was Akmola region formed?

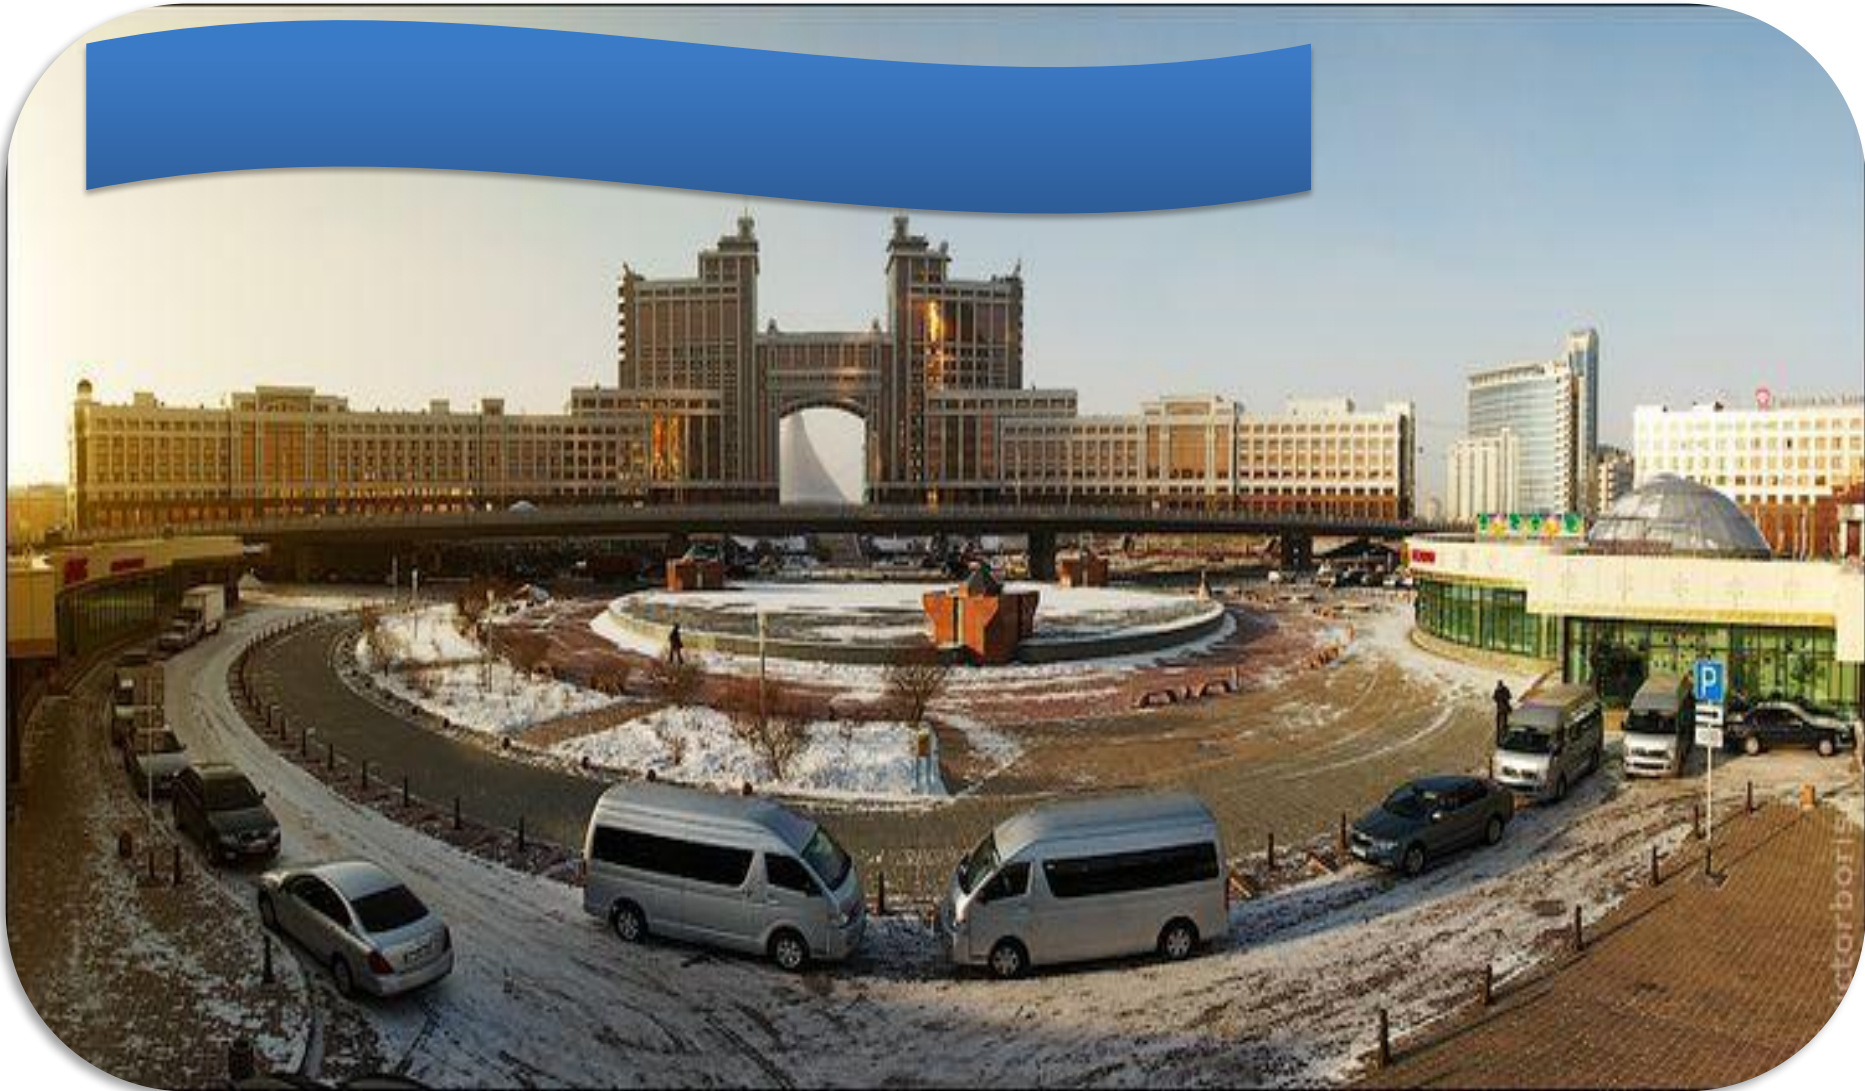

When was Akmolâ renamed in Tselinograd?

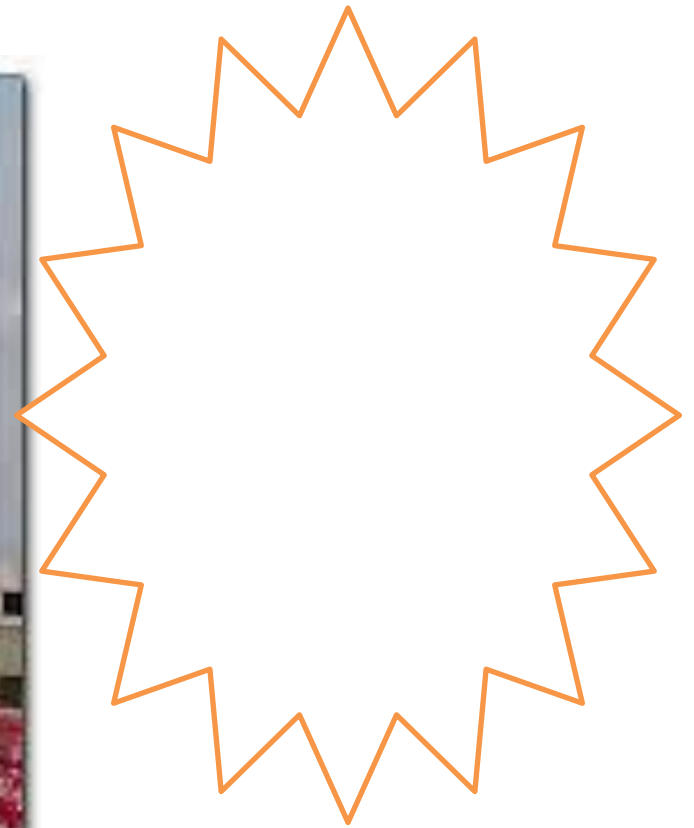

When was
Tselinograd renamed
in Akmola again?

When did Akmola become the capital of Kazakhstan?
