

Happy Halloween

On a moonlit night when the stars come out
There are nocturnal animals all about.

Whoo, whoo, what do I see
A wise old owl looking at me..

On a moonlit night when the stars come out
There are nocturnal animals all about

Meow, meow, what do I see
A big black cat is looking at me

On a moonlit night when the stars come out
There are nocturnal animals all about

Eee, eee, eee, what do I see
A little bat just looking at me

On a moonlit night when the stars come out
There are nocturnal animals all about

Ribit, ribit, what do I see
A big green tree frog looking at me

On a moonlit night when the stars come out
There are nocturnal animals all about

Squeak, squeak, squeak, what do I see
A garden dormouse looking at me
