Purposes:

- Military observation
- Communication
- Navigation
- Weather forecast
- Researches

A vibrant space-themed background. At the top center is a bright, multi-colored star (yellow, orange, red) with a purple and blue aura. Below it, a ringed planet (resembling Saturn) is visible, tilted diagonally. The background is filled with swirling blue and purple nebulae and numerous small, bright stars. The text "Thank you for attention!" is centered in a bold, yellow font.

Thank you for attention!
