In the foreground, a calm blue lake reflects the sky, with a wooden dock extending from the bottom right corner. An impressionist painting of a rainy street scene. The scene is viewed from a low angle, looking down a wet cobblestone street. On the left, a tree with vibrant autumn foliage in shades of orange, yellow, and red stands next to a black wrought-iron lamppost with two glowing lanterns. The wet pavement reflects the colors of the trees and the lights. On the right, a building with warm-toned walls and arched windows is visible. A circular red sign hangs from a bracket. The overall style is characterized by visible, energetic brushstrokes and a rich, saturated color palette.
