
EGYPT

WEATHER

SUMMER.

Summer in Egypt too hot. The temperature reaches 35-40 degrees, and in windless days all +50 C. the Weather in June on the red sea coast is hot but the hottest period begins in July and lasts until the end of September

WINTER

Is that winter in Egypt is the season winds. Time 1-20 December called the off-season. The winter months of December, one of the best months to travel to Egypt, if to take into account the price and weather, but only until December 20. In January the weather in Egypt approximate the same as in December, but the probability of winds above, sometimes the sun can be in the haze, that does not prevent to sunbathe. February in Egypt is considered the coolest month of the year, but nevertheless prices are higher than in January, and the

HISTORICAL PLACES

- Nobody should leave Egypt without visiting Egyptian pyramids. These are the only surviving ancient seven wonders of the world, which are more than 4,600 years. The whole complex of ancient buildings still shrouded in mystery. On a trip here will have to allocate a full day to thoroughly explore all the interesting places.
- Legendary White Desert is located 28 miles north of Farafra. This is one of the most unusual places in the world, with bizarre landscapes and ghostly rock formations sprouting from the sands. These strange sculpture - the formation of chalk, created under the influence of sandstorms in the area. It is best to go to safari by hiring a jeep and stay overnight to get a unique travel experience.
- Ancient Muslim shrine, one of the main shrines of Muslims around the world Mosque of Ibn Tulun was built in 876-879 years Sultan Ahmed Ibn Tulun Abbasid on Yashkur.

EXCURSIONS

- The most popular excursions in the desert - walk on the Quad - "SUPER-MOTOSAFARI". The program of this tour interesting for its variety. This is not just a hour ride through the sand on the Quad, but walking through the desert on camels. Next on the program - a visit to the Bedouin village where local residents of the desert will feed You tasty meal and delight Egyptian dance. The final stage of the excursion is a stunning sunset on the background of mountains and desert landscapes. Believe me! This sight permanently be stored in your memory and will leave fond memories of the visited tours in Egypt.
