«Under the
nation...
Elizabeth

**Elisabeth I was born on 7th September in 1533.
Her father was Henry VIII, mother - Anna Boleyn
Elisabeth was the princess of Wales.**

**Henry VIII had 6 wives.
The second wife was Anna
Boleyn.
She was executed two years
and eight months later the
birth of Elizabeth**

Old castle in Hatfield

After the death of her mother Elizabeth was declared illegitimate and deprived of the title of princess.

She endured terrible years in Hatfield.

She was 15 years old when her father died.

When Elisabeth was 10, she spoke French, Latin, Italian, Greek, Spanish, played the lute and danced perfectly.

Mary Tudor (1553-1558) «Bloody»

The eldest daughter of Henry VIII and Catherine of Aragon, the wife of the future king of Spain Phillip II:

- restored Catholicism and began to pursue leaders of Reformation;
- began the war with France, but in 1558 the French armies seized a city of Calais – the last possession of England on the continent.
- In 1558 she fell ill.
- On 6 November Mary recognised Elizabeth as her heir.

Queen Elizabeth I said: «I know I have the body of a weak and feeble woman, but I have the heart and stomach of a King»

«39 points of the Creed» (1571)

Elizabeth I reestablished the Church of England's independence from Rome.

- The Scriptus – a source of the faith;
- Christening;
- Indulgence, honoring of icons;
- The clergy submitted only to the king;

*"I don't want to open the windows into the human souls"
Elizabeth I declared soon after her coronation*

Catholicism in England – persecuted faith – convenient cover for external enemies.

Phillip II applying for the English throne, together with the Pope tried to organize a warfare between the Catholic states of Europe and the queen-heretic.

They supported the Scottish queen **Mary Stewart** applying for the English throne.

War with Scotland

In 1560 there was a revolt in Scotland

The french king supported it.

On 6 July in Edinburgh
the peace treaty was signed.

In 1561 Mary Stuart was crowned in Edinburgh.

Mary Stuart Scottish

(1560-1567)

- Mary Stuart's accension to the throne was very dangerous for Elizabeth – the Scottish queen had a claim to the English throne.
- 1567 – the revolt of the Scottish Calvinists against Mary Stuart;
- In February of 1587 – Mary Stuart was accused of the plot;
- On 8 February 1587 she was decapitated

«*Kind queen Bess*»

Elizabeth always accentuated that all her activity was directed to the prosperity of the country and that's why she gave away her personal happiness.

Elizabeth made the image of the queen who was married to the nation and had the Divine aegis supplying the prosperity of England.

Her favourite symbol was a pelican. According to the legend the pelican fed its chicks with its own meat. It personified Queen's care about her people.

Russian tsar **Ivan the Terrible**, the Spanish king **Phillip II**, the French prince **François Anzhujsky** and others proposed to Elizabeth I to marry, but she refused.

Frensis Drake –
gentleman,
pirate,
traveller

“Frensis Drake, I have come to take your head!” – Elizabeth's voice sounded severely, and Drake closed his eyes. But the blade stopped close to the neck of the pirate. The sword touched his shoulder, and during the following instant Drake was dubbed.

War between England and Spain

Englishmen didn't have
any chance to win.

Drake's big pirate experience,
ship maneuverability,
strategic miscalculations of Spaniards,
unity of actions of English ships
helped to win the fierce battle.

«Undefeated Armada»

- Summer 1588 – the Spanish fleet reached Plymouth;
 - July, 28th 1588 – the battle apprx. Calais. «The invincible armada» was defeated.
- Returning to Scotland and Ireland – complete defeat.

from the letter of Elizabeth I to Henry IV, the King of France.*

Елизавета в оценках современников и потомков

- Канцлер Англии и философ Френсис Бэкон: *«Женское правление было редкостью во все времена; удачное правление еще большей редкостью; удачное и то же время долгое правление – это уникальное явление».*
- Госсекретарь королевы Роберт Сесил: *«Она, пожалуй, была больше, чем мужчина, но меньше, чем женщина».*
- Испанский посол граф Ферия: *«Она очень привязана к своему народу и твердо уверена, что он на ее стороне, что и на самом деле так. Она конечно же великая королева, и если бы только она была католичкой, мы бы ее очень любили».*
- Папа Сикст V: *«Только посмотрите, как она управляет! Она всего лишь женщина..., но она заставляет Испанию, Францию, Империю – всех бояться себя».*

Портрет – загадка для потомков
