It is important these days to be as 1)... as possible, which means 2)... our waste instead of 3)... it in the usual way. For example, instead of throwing 4)... cans away, they can be crushed and taken for recycling, and bottles can be taken to 5)... instead of being put in the rubbish bin. We should try to use as little 6)... as possible because it takes a long time to 7)... and to buy recycled paper to write on. Recycled 8)... products are often the same price as normal ones, but a lot kinder to the 9)....
