# FORESTS THE SIZE OF BELGIUM ARE DESTROYED EVERY YEAR

A misty, blue-toned landscape. In the foreground, a large, dark, fallen tree trunk lies horizontally across the frame. To its right, a bare, skeletal tree stands upright. In the background, rolling hills and mountains are visible, covered in dense evergreen forests. The sky is a pale, hazy blue with a bright, diffused light source near the top center. The overall mood is somber and atmospheric.
