

Melbourne

Nick Zhiltsov 6v

Melbourne the second-large city of Australia, the capital of the state Victoria. The city is considered one of the main commercial, industrial and cultural centers of Australia.

Melbourne also often call the sports and cultural capital of the country as in it pass many sports and cultural events in life of Australia. The city is well-known for the combination of the Victorian and modern architecture, numerous parks and gardens, the many-sided and multinational population.

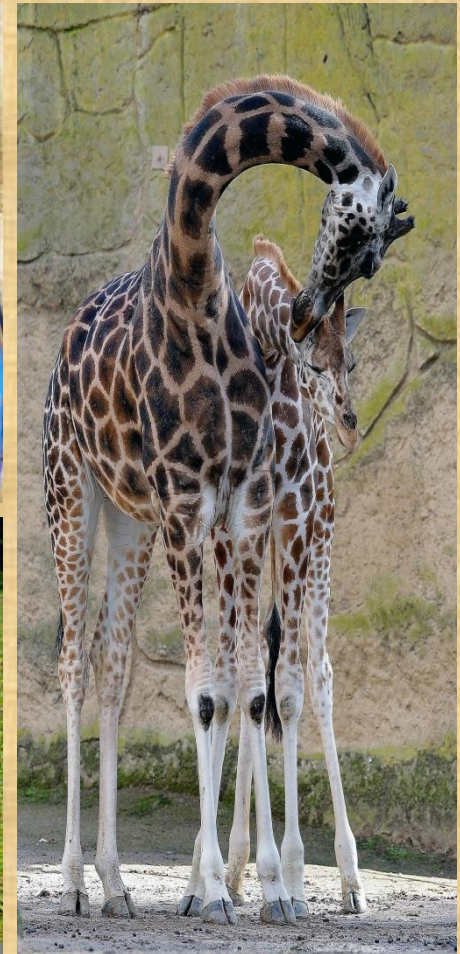

In 1956 Melbourne received the summer Olympic Games, and in 2006 — Commonwealth Games. Melbourne was founded by free settlers in 1835 as the agricultural settlement on the river bank of Jara (it occurred 47 years later after emergence of the first European settlement in Australia

Melbourn zoo the  
oldest zoo of Australia.  
In it more than 320  
animal species from  
Australia and from all  
over the world.
