Last week I was on the farm. It was so *nice*! There were a lot of animals there. There were *big* cows, *strong* horses, *funny* and *lazy* pigs, *cheerful* rabbits, *silly* hens, *brave* geese and a *majestic* cock. Also I saw a *clever* dog and a *lazy* and *beautiful* cat.

In the morning it was sunny. I went for a walk. In the forest was *beautiful*. There I saw *big* and *small* birds, a *cunning* fox, a *brave* and *silly* hare. I was very happy!

For example: It is a fox.
The fox is cunning,
strong, clever and
independent.
It runs very fast.
I like foxes.
