Macmillan Dictionary

A Friend

God made the world
With a heart full of love,
Then he looked down
From heaven above
And saw that we all need
A helping hand
Someone to share with
Who`ll understand.
He made special people
To see us through
The glad times
And sad times, too.
A person on whom
We can always depend
Someone we
Can call a friend.

Friendship is one of the most valuable assets that we create in our lifetime. That is why people hold friends in such high regard.
