

George Martin

GEORGE MARTIN

George Raymond Richard Martin (born September 20, 1948), often referred to as **GRRM**, is an American novelist and short story writer in the fantasy, horror and science fiction genres as well as a screenwriter and television producer. He is best known for *A Song of Ice and Fire*, his international bestselling series of epic fantasy novels that HBO adapted for its dramatic series *Game of Thrones*. Martin serves as the series' co-executive producer, while also scripting one of each season's 10 episodes. Martin was selected by *Time* magazine as one of the "2011 Time 100," a list of the "most influential people in the world."

GEORGE MARTIN

George Raymond Martin was born on September 20, 1948, in Bayonne, New Jersey, the son of longshoreman Raymond Collins Martin and his wife Margaret Brady Martin. He has two younger sisters, Darleen and Janet. Martin's father was half Italian, while his mother was Irish; his family also contains German, English, and French ancestry. The family first lived in a house on Broadway, belonging to Martin's great-grandmother. In 1953 they moved to a federal housing project near the Bayonne docks. During his childhood, his whole world consisted pretty much of "First Street to Fifth Street", between his grade school and his home; this limited world made him want to travel and experience other places, but the only way of doing so was through his imagination, and he became a voracious reader.

GEORGE MARTIN

The young Martin began writing and selling monster stories for pennies to other neighborhood children, dramatic readings included.

In 1970 Martin earned a B. S. in Journalism from Northwestern University, Evanston, Illinois

Martin began selling science fiction short stories professionally in 1970, at age 21. His first sale was "The Hero", sold to *Galaxy* magazine and published in its February 1971 issue; other sales soon followed. His first story to be nominated for the Hugo Award

GAME OF THRONES

A Song of Ice and Fire

A Song of Ice and Fire is a series of epic fantasy novels written by American novelist and screenwriter George R. R. Martin. Martin began the first volume of the series, ***A Game of Thrones***, in 1991. He published it in 1996. Martin gradually extended his originally intended trilogy to seven volumes, the fifth of which, ***A Dance with Dragons***, took him five years to write before its publication in 2011. Martin's work on his sixth, ***The Winds of Winter***, is still underway.

The series, set on the fictional continents of Westeros and Essos at the end of a decade-long summer, interweaves several plot lines. The first follows the members of several noble houses in a civil war for the Iron Throne of the Seven Kingdoms; the second covers the rising threat of the impending winter and the mythical creatures of the North; the third chronicles the attempts of the exiled last scion of the realm's deposed dynasty to reclaim the throne. Through its morally ambiguous characters, the series explores the issues of social hierarchy, religion, loyalty, corruption, civil war, crime, and punishment

The background of the title card is a painting of a vast, misty landscape. In the foreground on the right, a large tree with autumn-colored leaves (red, orange, and brown) stands prominently. In the lower right, a small figure of a person is visible, sitting or kneeling on the ground. The middle ground shows rolling hills and valleys shrouded in a thick, white mist or smoke. The sky is a pale, hazy blue. The title 'GAME OF THRONES' is centered in the upper half of the image. 'GAME' is in a large, black, serif font. 'OF' is smaller and positioned between 'GAME' and 'THRONES'. 'THRONES' is also in a large, black, serif font. The 'O' in 'THRONES' is replaced by a circular emblem containing three vertical lines.

GAME OF THRONES

Game of Thrones is an American fantasy drama television series created for HBO by David Benioff and D. B. Weiss. It is an adaptation of *A Song of Ice and Fire*, George R. R. Martin's series of fantasy novels, the first of which is titled *A Game of Thrones*. Filmed in a Belfast studio and on location elsewhere in Northern Ireland, Malta, Scotland, Croatia, Iceland and Morocco, it premiered on HBO in the United States on April 17, 2011. Two days after the fourth season premiered in April 2014, HBO renewed *Game of Thrones* for a fifth and sixth season.
