

GOTHIC ART

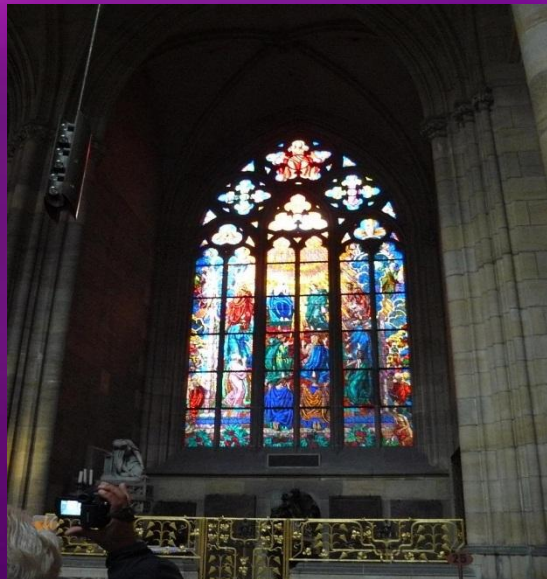

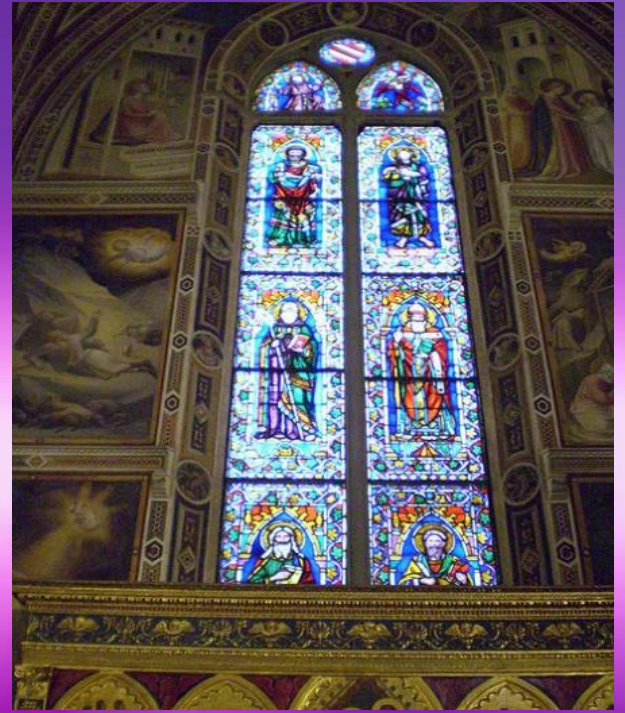

The Gothic Art is a style which was developed in Western Europe from Middle Ages

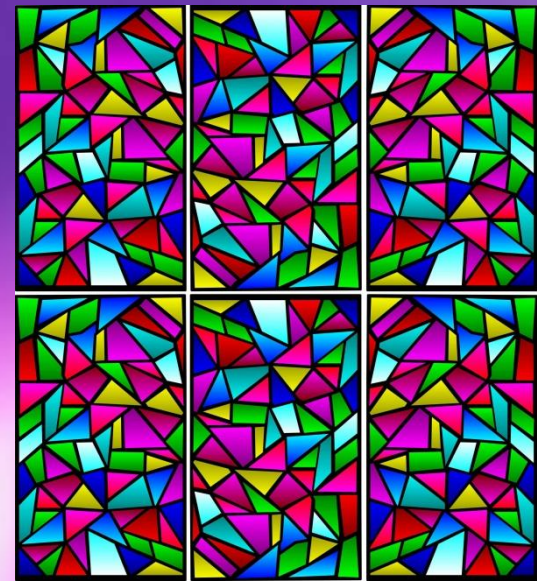

The term
“Gothic” was
used for first
time in 16th
century for the
Italian historian
Giorgio Vasari.

Fresco: Mural painting, a continuation of the previous Roman and Christian traditions

Stained-glass windows. In northern Europe, the stained glass art were not popular until the 15th century.

Miniatures. The illuminated manuscripts represented the most complete documentatio n of the Gothic

Oil Painting on Canvas not popular until the 15th and 16th centuries, but it was one of style in gothic art .
